Students of Kindergarten College Hold Reception

An informal reception and Get-Acquainted party for the students of the National Kindergarten and Elementary College summer session was held in the alumnae room, Harrison Hall, on Thursday afternoon, June 3. Former students, new students and members of the faculty were distinguished by name labels of different colors, and a delightful musical program, with Paul Gutekunst of the Northwestern School of Music as soloist, followed the serving of refreshments.

On Friday evening the students and faculty enjoyed a picnic supper with bonfire and songs on the Wilmette beach, and on Saturday morning a large group chartered busses for a trip through the Chicago parks.

This trip through the parks is the first of the summer excursions which are planned to give out-of-town students convenient opportunities of visiting nearby points of interest. Miss Florence Boehmer, director of recreation, is in charge of the excursion program for the summer, which includes trips to Hull House, Ravinia, the Art Institute, Field Museum, Board of Trade, Stock Yards, the Sand Dunes and Lake Geneva.
