

Conservative July Investment Programs Should Include North Shore 6 and 6½% 1st Mortgage Securities

You can diversify your list of July investments safely and profitably by including a good share of conservative bonds and mortgages backed by North Shore properties. The increasing values in this region due to limited area and unprecedented population growth make these securities increasingly attractive by constantly widening their margins.

Quinlan & Tyson 1st Mortgage Real Estate Bond and Mortgage offerings are made with the experience of 43 years behind them. Every safeguard is applied which conservative investors demand, with first hand information from an organization that covers the North Shore. Specializing here, and nowhere else, this body of men are at all times close to the trend of this flourishing real estate market.

For the second half of 1927, arrange your investment program to take advantage of this high yield and safety. Make your selections from lists in this office of bonds and 1st Mortgages on property in the vicinity. Ask for our leaflets describing specific North Shore offerings.
