**Mrs. Edwin N. Johnson
to Direct Art Exhibit**

Mrs. Edwin Nathaniel Johnson of
Evanston has been chosen director of
the 1927 exhibit of the works of Illi-
nois artists which the All-Illinois So-
ciety of the Fine Arts will foster the
first fortnight in next November at the
Bismarck hotel, Chicago.

The purpose of the exhibition will
be to give opportunity to Illinois ar-
tists to bring before the public their
best achievements, and to that end
many prizes of considerable value are
offered. The plan rather follows that
of the Hoosier salon in which many
Evanstonians have been actively inter-
ested in seasons past. Artists who
were born in Illinois, who received
their art education in this state or
who are now residents of Illinois are
qualified to compete for entrance. Af-
ter the Chicago showing the exhibi-
tion will be taken to various cities
throughout the state.

Mrs. Charles R. Dalrymple, 5009
Blackstone avenue, is president of the
society. Patronesses also include Mrs.
Rockefeller McCormick, Mrs. Jacob
Bauer, Mrs. Sophia Delevan Cowles,
Mrs. George Thomas Palmer, Mrs.
Preston Bradley, and Mrs. John J.
Reeves of Jacksonville.

W. J. Norton of 1018 Ash street re-
turned Wednesday from a trip to
Washington, Baltimore, and Virginia
Beach, Va. At Virginia Beach he
stopped at "The Cavalier."

**N. U. Summer Registration
Exceeds 2000 This Session**

While registration figures from the
several schools of Northwestern uni-
versity are not yet available, officials
there are convinced that attendance
this season is to run beyond any of re-
cent years for the term. This influx of
ambitious men and women was in-
dicated as being unusually large, at the
assembly in Fisk Hall, Tuesday fore-
noon when welcome was cordially
given them by President Walter Dill
Scott and members of the summer
faculty. All downstairs seats in the
chapel hall and the gallery seats were
filled, while some were unable to be
present. In former years practically
only the lower floor seats have been
occupied. Director Clyde L. Grose is
now quite optimistic that registration
in all the schools may exceed the high
mark of 2,000. Director Grose intro-
duced President Scott to the summer
students who greeted prexy with real
enthusiasm. The historical relations be-
tween Northwestern and Chicago and
Evanston were first stressed by the
president, who then emphasized the
good comradeship which always has
prevailed at all summer schools on the
Evanston campus.

The Misses Katherine and Edith
Dillon of 814 Prospect avenue return-
ed Tuesday after spending a week at
the Alpha Phi house party. The party
was held near Holland, Mich., this
year. Miss Katherine Dillon has as
her guest over the week-end, Miss
Polly Pietch of Evanston.

*"The Masterpiece
of Man*

is to live to the purpose,"
said Poor Richard.

And it is for this sort of
masterpieces - masterpieces
in human living - that we
strive first, here at the
Academy.

The young lives that are
with us from day to day
need beauty of character
before they can create
beauty with brush or pencil.

So we set a definite goal,
keep a definite routine,
make art a way of living
with demands to be faced
honestly.

The purpose of our teaching
is to teach, not merely to
oversee. And we try to
inspire in all the desire to
learn as well as to instruct
with competence those of
especial talent.
