

# Society Is Observing Fourth of July in Usual Manner

## Clubs Celebrating Holiday by Dance, Dinner, Fireworks

By JEAN TEN BROECK

The occasional staccato popping of firecrackers, village ordinances against them notwithstanding, is an early reminder of coming Independence day, which, every year is especially marked by village and club celebration. Village events scheduled for the Fourth, as well as special golf matches and yacht races, will be chronicled elsewhere in these pages, but a word or two concerning the events entirely social we note here.

Westmoreland is making the Fourth of July a family day. For the children two hours of afternoon entertainment will be provided, commencing at 3 o'clock. Following the five big acts, a 5 o'clock supper will be served in the Grill. There will be dancing from 5:30 to 9 and at 9 a display of fireworks will be given. North Shore Golf club observes the holiday with a dinner dance Saturday evening. The Wilmette Golf club is having its usual Saturday afternoon bridge game and a dinner dance in the evening. Indian Hill is celebrating socially with a dinner dance Saturday evening as are Sunset Ridge, Skokie, and Briergate. The Illinois Golf club, in addition to its dinner dance Saturday evening, has planned for a special dinner and fireworks Monday evening, July 4.

To turn to a club whose primary interest is in things aquatic, we learn that the social season for the Sheridan Shore Yacht club opens this evening with a dance at 8:30, with Bert Rammett and his Yacht club orchestra supplying the music. From now on until September 2, there will be dancing every Friday evening. Saturday afternoon bridge is scheduled for those members of the fair sex not participating in the sailing races.
