

Take Registration Now for Swimming in N. T. Natatorium

Registration for the swimming classes being held at New Trier Natatorium is still open and will continue to be open throughout the season, which ends August 12. Although the registration so far is not so large as that of last year, those in charge expect the hot weather to bring many more to the pool. A small fee is charged for the lessons.

Edgar B. Jackson of the high school staff is in charge of the classes. Although most of his pupils are under high school age, he has some of that age and three classes for women. All children's classes have an age division, set at ten years. In both divisions, there are classes for girls who pass the test, for boys who pass it; for girl non-swimmers, and for boy non-swimmers. There are also more advanced classes, formed from swimmers selected by Mr. Jackson. The requirement for these is the ability to do advanced swimming and diving.

Christian Science

"Christian Science" was the subject of the lesson-sermon in all Churches of Christ, Scientist, Sunday, June 26. The Golden Text was from Isaiah 12:2, "Behold, God is my salvation; I will trust, and not be afraid; for the Lord Jehovah is my strength and my song; he also is become my salvation."

Among the citations which comprised the lesson-sermon was the following from the Bible: "I have yet many things to say unto you, but ye cannot bear them now. Howbeit when he, the Spirit of truth, is come, he will guide you into all truth; for he shall not speak of himself; but whatsoever he shall hear, that shall he speak; and he will shew you things to come" (John 16: 12, 13).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy; "Divine Science derives its sanction from the Bible, and the

divine origin of Science is demonstrated through the holy influence of Truth in healing sickness and sin. This healing power of Truth must have been far anterior to the period in which Jesus lived. It is as ancient as 'the Ancient of days.' It lives through all Life, and extends throughout all space" (p. 146).
