### 3 Tossed Into Harbor When Boat Is Rammed

When their rowboat was rammed by a fisherman's launch in Wilmette harbor, Darwin Lindsay, Jerry Parson and Ivan Eadie were thrown into the water Saturday afternoon and forced to swim 100 yards to shore in heavy clothing. The skipper of the fishing craft, who accused them of ramming his boat, maintained a verbal barrage around them as they effected their own rescue. The rowboat was overturned but not damaged and the boys received only slight injuries.

Mrs. J. L. Shaw, mother of Mrs. J. Williams Macy of 966 Private road, left Tuesday with the two oldest Macy boys, John and Lawrence. They are taking a lake trip and expect to return to Winnetka about July 29.

### CLUB IN PRE-OPENING

North Shore Society Awaits Elaborate Event to Be Staged at Vista del Lago Shore Club

North Shore society awaits the pre-opening of Club Vista del Lago which takes place over a four day period commencing Wednesday, July 27. This club launched less than a year ago has met with great success.

The club executives are reticent as to the program of entertainment for the opening. The first idea to have a one-day opening failed because of the membership demand that they be privileged to bring guests, thereby necessitating a four-day opening. However, it is known that a Spaniard, late of Madrid, a singer of note from the Mexico City Grand Opera company, and some talented stellar lights of the Chicago Civic Opera company are numbered among the entertainers for the club's pre-opening. There will be many other features, some of them surprising.

Parking safety, check room necessities, main dining room, grill, locker rooms, beach fountain, and children's catering form the initial service ready for members. Afternoon and evening social possibilities, beach pleasures, and use of the clock golf course, tennis and badminton courts and other sporting diversions connected with the club form another story.

Many compliments are due L. L. Arms, the club's directing manager, for his conception of the club, and its consistent management from the beginning.

Mrs. Francis P. Magoun, Jr., and her small son, Frances Peabody, III, of Cambridge, Mass., are spending the summer at the home of Mrs. Magoun's parents, Mr. and Mrs. W. C. Boyden, 725 Pine street.

The Current Events club will hold its regular meeting at Ravinia Park, July 21. A picnic luncheon will be served. Mrs. Van Buskirk, the chairman, may be called at Winnetka 746 for further information.
