Ask Mr. Aitken!

About Wilmette and Winnetka

MR. WM. AITKEN was the builder of hundreds of the homes now occupied by residents of Wilmette and Winnetka.

With the growth of these suburbs and the inevitable crowding of them, Mr. Aitken sought for another location on the North, equally delightful, where he could build a community of character.

Such is Bannockburn. Mr. Aitken lives there—and the countryside is dotted with houses he has helped to plan, finance and build.

**Bannockburn is only 54 minutes to the Loop.
It is easy to get to—about a mile north of Deerfield.**

A private coach takes you to and from the station.

See Bannockburn—and ask Mr. Aitken for such suggestions as he may have to offer out of his long experience in the matter of choosing a homesite and building a home.
