Carleton W. Washburne, superintendent of the schools, Winnetka, will speak on "The Winnetka Plan" before the students of the National Kindergarten and Elementary college Monday afternoon. The Winnetka Plan of education has been widely discussed during the past few years, but comparatively few teachers have had an opportunity of hearing a first-hand explanation of the methods used. The lecture will be given at 2 o'clock in the auditorium of Harrison hall.

New Trier Leaders at N. U. Summer Sessions

A roster of the visiting faculty members who are serving the summer session of Northwestern university this year has just been issued by Director Clyde L. Grose and is a mirror of not only Northwestern's good name but of the fame of the Chicago north shore district as a summering place. A significant side-light is that various professors seem to head toward Northwestern for summer school work as soon as the torrid days begin. Interior colleges and universities, with occasional visitors from the coasts, to emphasize that exceptions make the rule, are represented in the list.

New Trier High school faculty members who are associated with the summer sessions include Superintendent Frederick E. Clerk, L. Alvis Hutchens, head of the English department, and Miss Laura Foster Ullrich, head of the History department.

Cleo C. Campbell Assumes Charge of Northwestern Golf

Cleo C. Campbell of Glencoe is now in full charge of ticket sellers, starters and the finances of Northwestern Golf course, a promotion which has come to him during the brief time he has been affiliated with the operation of this popular Forest Preserve course.

Mr. Campbell reports rapid progress in the improvement of the course, which is going on under the supervision of Edward Long who now has it in first class shape.

North shore golfers are taking keen interest in the course this season. It is accessible to all north shore towns, being reached from Evanston by going west on either Dempster or Church streets to Harms road, thence north to the club; from Wilmette, west on either Lake avenue or Glenview road to Harms road, thence south. The Skokie Valley line has a station at Harms Woods which is only seven minutes walk from the club.

There are large picnic grounds adjacent to the course. At the clubhouse, dinners, lunches and cold drinks are served to the public. The clubhouse is in charge of Mrs. Mary Churchill.

Miss Mary Alice Sieg, daughter of Mr. and Mrs. F. M. Sieg of 718 Center street, is spending the month of July in Lafayette, Ind., with her aunt, Mrs. W. J. Lentz.
