### Famed Spanish Dancer Guest at Martin Home

Senorita Maria Montero, guest dancer all four nights at the opening of Vista del Lago, is the house-guest of Mrs. Mellen C. Martin of 630 Rosewood avenue. Mrs. Francisco Martin of New York is also a guest of Mrs. Martin.

Senorita Montero is a native of Seville and is known as Spain's loveliest dancer. She has been in this country for about five years, and makes her headquarters in New York. At the Vista del Lago, her Spanish type of beauty fitted in perfectly with the architecture and decorations. She made her entrance through a large archway to the esplanada, which made a beautiful setting for her ancient type of costume of white lace and white mantilla. Another typical flamenca costume worn by Senorita Montero had a long train, which she managed in the manner of a true artist.

John N. VanderVries of 968 Pine street has been ill at his home for several weeks and is still confined to his bed. It is expected that he will have to stay in for several more weeks.
