Reductions of Summer Stocks in Many Departments

This is a good time for bargains—much of our summer merchandise has been reduced for final clearance, regardless of its original prices.

Mingtoy Silk Crepe (Washable) is a Favorite for the All-Season Frock

Whether you want to make a summer sports frock of a pastel color or white—or a street dress that will prolong its usefulness into the Fall and Winter season, you'll find Mingtoy Washable Silk Crepe eminently satisfactory.

It is particularly lovely, too, for fine underthings—and many women tell us that they make underwear by hand of it, since its superb, weighty quality well repays the painstaking labor of making things in the exquisitely dainty French fashion.
