Christian Science Churches

"Truth" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, July 24.

The Golden Text was from Psalms 86:11, "Teach me thy way, O Lord; I will walk in thy truth."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "In the beginning was the Word, and the Word was with God, and the Word was God. And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father), full of grace and truth. For the law was given by Moses, but grace and truth came by Jesus Christ" (John 1:1, 14, 17).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Christ, Truth, was demonstrated through Jesus to prove the power of Spirit over the flesh—to show that Truth is made manifest by its effects upon the human mind and body, healing sickness and destroying sin" (p. 316).

40 Years of Quality Work

John Ortlund, Sr., started business in a small room. He dreamed a business of the future. His slogan was "Quality Work."

Today, after forty years, what was a small room has grown to be one of the largest laundries on the North Shore. A dream come true. Forty years of "Quality Work."

Time saving equipment, more man power, larger facilities encourage a large volume of business. And growth will be fostered; but so will "Quality Work."
