FIELD EVENTS PROVE CUSTOMARY THRILLER

Races and Contests Attract Hundreds of Entrants on Afternoon of Winnetka Day

A program of twenty-five races, starting at 2 o'clock, featured the afternoon of Winnetka day, Thursday. The events were held on the athletic field west of Skokie school and attracted one of the largest crowds of any of the several sections of the day's festivities.

Each of the races was well filled, there being as many as thirty entrants in some of them. W. M. Peterson, Winnetka Chief of Police, was the official starter, and various other members of the Winnetka Chamber of Commerce, sponsoring Winnetka day, conducted this section of the program.

Prizes donated by Winnetka merchants, were awarded in each event. The several contests and the winners, given in the order of their standing in the prize awards follow:
