Saturday Dances Feature Golfers' Social Program

A dance every Saturday night during the month makes up the August social calendar for the Wilmette Golf club. The dances are to be informal on August 6, 13, and 27, and August 13 is to be marked by a dinner-dance. The regular bridge afternoons are also to be Saturday features.

The women's golf calendar at the Wilmette club is also particularly interesting this month. On August 9, play is to be for the best score on twelve holes; on August 16, the event is handicap play against par; and from August 23 to 26 the club championship is to be decided. On August 30 play will again become more social in nature, with guest day the feature, and the event is to be the best ball foursome.

WED IN ST. LOUIS

Announcement has been made of the marriage on July 9 of Miss Margaret Lutz, daughter of Mr. C. L. Lutz of St. Louis, to Alan Bruce Cameron, son of Mr. and Mrs. Charles C. Cameron of 510 Central avenue, Wilmette. The wedding was a quiet one which took place in St. Louis in the presence only of relatives and immediate friends. Mrs. Cameron attended the University of Missouri, and Mr. Cameron the University of Illinois, where he was a member of Beta Theta Pi. Mr. and Mrs. Cameron are now at home at 1121 Clayton terrace, on Richmond Heights, St. Louis.

HORSESHOE TOURNAY

A horse shoe pitching tournament, to decide the State championship, will be held at the Illinois State Fair, commencing at 11:00 a. m., Wednesday, August 24, and continuing just as long as it takes to find out who is the best in the State.

English Festival Theme of Recent Ravinia Program

"Ye Old English Festival" was presented Thursday, July 28, at Ravinia by Bertha L. Iles, general director of the Children's Civic theater of Chicago, with music by the Great Lakes band. A number of local children took part.

The pageant, given in period costume, was in three episodes: Dawn, Noon and Afternoon, showing the Red Lord of the Realm, his Lady, the Princess, and the Knight of the Red Plume, in a romantic tale of old England which ends happily. Many archers, minstrels, wrestlers, dancers, knights and gypsies appeared, making a very colorful picture on the wide green at Ravinia.

Presiding at the favor booths were the chairman of the Glencoe committee, Mrs. George E. Orr, and Mrs. Harry S. Sandberg, while the Misses Jane Orr and Harriet Sandberg, in festive jester costumes of purple and cerise, with tinkling bells, were favor venders.

"Just like old times" was the exclamation of one mother when the children began to arrive at Ravinia Park, gaily costumed, the girls in orange and black, and red with black, and the boys as Robin Hood pages, to take part in the Carnival.

Mrs. Harry C. Champlin of the Glencoe Ravinia committee, whose able directorship and diligent work in training and rehearsing the children made it possible to give the two folk dances, "The Circle" and "Reap the Flax," was responsible for the effective appearance and splendid dancing of the following children:

Rubie Battey, Ruth Brown, Mary Jane and Shirley Burnett, Lesley Champlin, Roger Clarke, Kate Davies, Nancy De Beers, Louis Eisenstadt, Susan Goodnow, Janet Hall, Grace Hirshberg, Louise Keckley, Mary Louise Lepman, Katherine Jane Lightbody, Margaret Loomis, Loretta and Marie Lorenz, Winifred Lundquist, Betty Jane Meyers, Carlotta Merryfield, Billy Miller, Betty Jane Morse, Frances Orcutt, Mabel Page, Mary Inez Potter, Rosamund Purdy, Jean Reichman, Ellen Sager, Katherine Scofield, Betty Sheldon, Betty and Margaret Simpson, Jane Tapping, Harriet Thiele, Jean Louise Wagner and Joan Wilder.
