

Mr. and Mrs. W. M. Hoyt of 490 Cherry street and their children returned July 29 from Yellowstone Park, where they passed two weeks. Immediately before going to Yellowstone, they spent a month touring through Minnesota.

Mr. and Mrs. J. B. Kress, together with Mrs. Frank Diettrich and Miss Virginia Diettrich, of 1085 Green Bay road, left last Saturday for a two weeks' motor trip through the East, stopping at New York, Boston and Washington, D. C.

Miss Janet Lay, daughter of Mr. and Mrs. Harry Lay of Edgewood lane, left Wednesday for a three weeks' tour of the West. She will spend some time in the Yellowstone park region, and be a guest of her aunt for a few days in St. Paul, Minn.

Mr. and Mrs. Henry A. Yates of 96 Church road are motoring to Wequetonsing, Mich., to open their cottage for the month of August. They will stop to see their daughter, Margaret, who is at Pinewood camp, Lake Burt, Mich.

What Other Food Can Compare with Hydrox

—in important food elements and vitamins

The pure, rich cream and fresh milk in Hydrox provides PROTEINS — builders of muscle and CALCIUM — developer of teeth and bones. Its pure cane sugar provides CARBOHYDRATES —producers of energy. And its pure fruits and cream supply every important vitamin.

—in perfect digestibility

Hydrox Ice Cream is so wholly digestible that the digestive organs of the tiniest infant or those of the weakest invalid easily digest it.

—in purity

Pasteurization, Filtration, and Carbonation bring to Hydrox Ice Cream a degree of super-purity unapproached in any other food product.

—in economy

A complete, well-balanced food in itself—the cost of Hydrox is so trifling that every home can easily afford to serve it at least once every day.

SPECIAL THIS WEEK
