#### KNEPPER A PAR GOLFER IN WESTMORELAND MEET

Tops Huge Field in Opening Play of Annual Tam o'Shanter Tourney, Scoring 71

By RAY C. PEARSON

Rudy Knepper of Onwentsia, who has been shooting great golf this season, stepped over to the Westmoreland course Wednesday and in the first day's play of the annual Tam o'Shanter tournament gave an exhibition of par playing that left a number of other stars stringing along many strokes behind.

It was the twelfth Tam o'Shanter—the annual invitation event—held by Westmoreland, the field being so large that it was late at evening before the final scores had been tabulated.

The course was in fine shape for

Knepper's effort and his score for the first eighteen holes of the tourney was 71. Another guest, Al Seckel of Riverside, the same Al Seckel, who a few years ago cut quite a swath in Chicago golf, came back to land second place in the play for low gross honors. Seckel turned in a 74 card.

A. C. Perry, of the home club, the only entrant who already has two legs on the trophy for which three wins are necessary for permanent possession, tied for third place with F. M. Swirles, also of Westmoreland. Each had 75. The scores follow:

# Is About Half Gone You should act now in your selection of a homesite near the lake on the wooded North Shore. Soon the chance of owning such a site will be gone. F. W. C. S. H. Mid C. B. L. R. W. C. R. D. B. C. P. D. B.

You should act now in your selection of a homesite near the lake on the wooded North Shore. Soon the chance of owning such a site will be gone. About half the lots in Deere Park have already been sold, and many attractive homes erected.

The Opportunity

When the remaining lots in Deere Park have been sold, practically the last opportunity for a home in such a charming and convenient location along the wooded lake shore, and at such a reasonable price, will have passed.

Don't think that Deere Park, on account of its choice location and wonderful beauty is beyond your means. Others have found it a bargain—so will you.

Lots priced as low as \$120 per front foot—with liberal terms.
