

FAVOR the Hydrox Agent—he favors you.
He pays more for Hydrox than he would have to pay for practically any other Ice Cream.

He does this to guarantee the protection of your health and to give you the best in quality that can be made.

Some other dealers pay far less for the ice cream they sell you and then try to charge you almost the Hydrox price.

Just buying any ice cream at the nearest corner and ignoring the Hydrox Agent who is doing so much to protect you isn't fair to him.

And paying anything near the Hydrox price for the ordinary run of ice cream, certainly is not fair to you.
