

TO SPEND YEAR ABROAD

Thomas H. Eddy, Jr., son of Mr. and Mrs. Thomas H. Eddy, of Evanston, and William Robert Tobey, son of Mr. and Mrs. Lansing B. Warner of Hubbard Woods, sailed Thursday for a year's tour of the continent. The two young men, both June university graduates — Mr. Eddy of Princeton and Mr. Tobey of Dartmouth—plan to combine with their pleasure trip the study of international commerce and banking, their undergraduate interest.

Make Plans for Great Legion Summer Festival

Extensive preparations are being made for the third annual Summer Festival, to be held under the auspices of the American Legion at Waukegan, Ill., September 2-5, inclusive. This event has proved increasingly popular since its inception, and large numbers are expected to be on hand for the 1927 program.

The Chicago, North Shore & Milwaukee railroad is co-operating in making arrangements to handle the crowds. Direct service to Waukegan from Chicago Loop and downtown Milwaukee is furnished by the railroad.

Several notables are scheduled to visit Waukegan and take part in the festivities. Among those who have signified their intentions of being present are Vice-President Charles G. Dawes, United States Senator Charles S. Deneen and Colonel A. V. Smith, state's attorney for Lake county, who will be marshal of the big patriotic parade opening the program on the evening of September 2.

Dr. McFayden to Address Convocation at Garrett

Convocation for the summer quarter graduates at Garrett Biblical institute is set for August 31 when Dr. John Edgar McFayden will address the young students. Fourteen men will receive their degrees at the close of the summer quarter.

Dr. McFayden is spending a year's leave of absence in America from the Free church college, Glasgow, Scotland, where he is professor of Hebrew. During the summer he has been teaching in the Divinity school at the University of Chicago. He has been heard in Evanston several times this summer from the pulpit of the First Baptist church.

The actual date of the closing of the summer session is August 31. One hundred seventy-five have been enrolled during this quarter.

The Hickville Rube band has been engaged to play at the Illinois State Fair, and will afford the visitors an abundance of entertainment and amusement. They will range around the grounds and buildings dispensing mirth and music where occasion suggests.

Summon Golfers to "Pow-Wow" at Wilmette Course

Wilmette Golf club members are awaiting their "ace of play days," the annual Pow-Wow, which is scheduled for August 17 this year. Everything is in readiness for the event. The Pow-Wow is the big invitation affair which always attracts a husky tribe of golfers.

The Pow-Wow is a day of golf, play both morning and afternoon with a swell luncheon in between sessions on the course. But the day doesn't begin to end with the final golf shot. There's a knockout of a dinner—Mrs. Peterson's best—to stow away and then a big evening of entertainment.

The prizes are an incentive for any golfer to do his stuff. There are attractive trophies for first and second low net and low gross at 36 holes; prizes for first and second low net 18 holes morning and afternoon and for first and second low gross morning and afternoon. Special foursome prizes also will be handed out.

One of the features of the Illinois State Fair, August 20-27, that is most helpful to cattle feeders, is the exhibit of all kinds of feeder cattle, presented by the livestock exchange. A visit to this exhibit gives a feeder a clear understanding of just what is meant by all the terms used in connection with various types of beef cattle.

Revisions in the Illinois State Fair premium list will attract an even greater number of high class exhibitors to Springfield, August 20-27.

Some complain that Bowman's Milk is so good they can't set down the glass until it is empty. We know just what they mean—the luscious, fresh flavor makes every swallow taste better than the one before.
