GOLFERS HAVE BIG DAY AT SKOKIE PLAYFIELD

Invitation Tournament for Men Thursday Draws Record Attendance at Course

The popularity momentum which Skokie Playfield course has been gradually attaining since the opening of the golf season last Spring reached the highest pinnacle of the summer, Thursday, the date of the Invitation tournament for men, when there were well over one hundred players on the course.

Despite threatening weather conditions in the morning, which no doubt kept some away, there was an entry list sufficiently long to break all previous records and which afforded Walter Stelzel and his assistants a full day's work in arranging and supervising what all are agreed was the best tournament in Skokie Playfield's history.

The weather early changed to "ideal," and "Pro" Stelzel and his assistants did the rest. The pleasures of the day were still further augmented by the splendid luncheon which was served at the clubhouse at noon, under the auspices of the Women's Tournament committee, of which Mrs. C. B. Cook is chairman.

The course was in excellent condition, for which Alfred Runnfeldt, grounds keeper, received frequent compliments from the players, throughout the day.

Liberal donations of prizes by Winnetka merchants contributed largely towards making the tournament the great success which it proved to be. The following merchants donated prizes: The Sweet Shop, Richardson's Garage, Adams Pharmacy, Community Pharmacy, G. L. Zick & Co., R. H. Schell, Adams Barber Shop, Hill & Stone, WINNETKA TALK.

Low net, 36 holes, for guests, B. Wilson, 167-32-135.

Low gross foursome, 36 holes, J.

INSTITUTE CAMPAIGN

Chamber of Commerce to Conduct Safety Campaign During First Week in September

The Winnetka Chamber of Commerce at its meeting Monday evening voted to aid the police department in the effort which it is making to reduce automobile accidents in the village, and will conduct a "Safety Campaign" during the first week of September.

Wide publicity is to be given this movement and an effort made to enlist the entire village to co-operate for a self enforcement of traffic rules and regulations. The Village Council, also is taking similar action in backing up Chief of Police W. M. Peterson and his men in their effort in behalf of the welfare of the people themselves.

Among other things, the "Safety Campaign" to be inaugurated in September by the Chamber of Commerce, provides that all Winnetka business men are to be furnished with gummed posters to use on their automobiles, trucks and in the windows of their respective business houses, as one means of aiding to awaken interest and co-operation in the movement.

The Chamber also recommends to the Police department that it paint lamps where pedestrians are supposed to walk in crossing streets and that at least two policemen be stationed at corners where traffic is heavy during the busy hours of the day, that is, from 7:00 to 8:30 a. m. and from 5:00 to 6:30 p. m.

The corners particularly referred to are Elm and Center streets, Elm and Lincoln streets and Tower road and Linden avenue.

Northbrook Holds Annual Community Celebration

The annual Northbrook community day celebration, which was held in that village last week under the direction of the Civic association, is reported to have been a genuine success in every way. Following a good sized parade in the forenoon, field events and a baseball game between the Northbrook and Deerfield teams were held. In addition a band concert was given and the day's festivities were closed with a boxing exhibition given by the Hubert brothers.

MRS. ADAMS CONVALESCING

Mrs. Lee Adams, 926 Cherry street, who recently underwent an operation at the Evanston hospital, is convalescing at the Adams cottage at Crosse Lake near Antioch. Mrs. Adams and children left for the lake about a week ago and will remain until the opening of school this fall.

TAKES CIRCLE TOUR

Miss Cora B. Lamb of 544 Chestnut street is spending the month of August taking the Circle tour, down the St. Lawrence river, and from there on to Boston. She will return to Winnetka about September 1.

Belmont, J. Paletti, E. Belmont, P. Runnfeldt, 575.

Low net foursome, 36 holes, E. Weinstock, G. W. Andrews, Fred Schafer, Lester Gordon, 702-146-556.

Village Provides Auto Parking Lot in Hubbard Woods

The vacant fifty foot lot having a depth of about two hundred feet and located on the north side of Tower road and directly west of the tracks, is to be used for car parking purposes similar to the vacant tract on Elm street, south of the Village hall.

The Winnetka Village Council voted favorably on this proposition when it was presented at the meeting Tuesday evening by Trustee R. H. Schell. It came up in the form of a petition signed by a large number of business men of Hubbard Woods, who desire to use the space for their cars in order to aid in leaving Linden avenue, where the parking limit is 90 minutes, as clear as possible, for the convenience of the customers of this thriving section of the village.

The Council, in granting the privilege, retains full control of the tract; provides there shall not be night parking and that trucks shall not be parked there. The plan is subject to revocation by the Council at any time that it may be found to be unsatisfactory, or in the event the property is required by the village for other purposes.

Request Better Hubbard Woods Station Facilities

Patrons of the North Shore Electric line residing in the Hubbard Woods vicinity will be interested in the action taken by the Winnetka Chamber of Commerce at its meeting Tuesday evening looking to the procuring of better accommodations.

The Chamber voted to request the company to provide one station, either at Tower or Hubbard Woods proper, where tickets may be purchased and the fast trains boarded, the depot also to contain a comfort station.

Fast trains now stop at Hubbard Woods but it is necessary to go to Tower road to purchase tickets. Tickets are sold at Tower road but fast trains do not stop there and it is necessary to go to Hubbard Woods to board them.

JOIN LOCAL C. OF C.

The Winnetka Chamber of Commerce at its meeting Tuesday evening admitted the following new members: Roxana Petroleum Corporation (Shell Gas station) 1022 Tower road; J. W. Schloesser & company, 718 Elm street; Yesterlaid Egg company, 384 Center street; Bernitt's Ice Cream Kitchen, 992 Linden avenue.

HOMeward BOUND

Rev. James Austin Richards and his family will return Friday, August 26, from Seattle, Wash., where they have been spending the summer vacation. Mr. Richards will preach at the morning service at the Winnetka Congregational church, August 28.

SAILS TO FRANCE

Dr. James P. Turner of 797 Elm street goes to New York today to spend about a week there before sailing for France August 26. He will visit friends in Paris and plans to be back in Winnetka about October 1.

TAKE STEPS TO REDUCE AUTOMOBILE ACCIDENTS

Fatalities and Injuries Cause Officials to Unite in Pre- vention Efforts

The Winnetka Village Council and the Chamber of Commerce have joined with the Police department in a determined effort to reduce the number of automobile fatalities and accidents in the village.

Chief of Police W. M. Peterson, through WINNETKA TALK last week called attention to the fact that since the first of January there have been five fatalities resulting from automobile accidents in Winnetka; twenty-four others have been injured and fifty-two automobile accidents of sufficient nature to require police attention have occurred during that period.

The Village council at its meeting Tuesday evening voted to call on the public for a more rigid self-enforcement of traffic rules and regulations, failing in which, it was the opinion of the council that more drastic action will be taken through the police department in the way of forcing an observance of traffic rules. The matter was referred to the Judiciary committee of the council, of which Trustee D. F. McPherson is chairman, to draft the resolution, formally calling upon the people for this cooperation.

It was pointed out by the council that delivery car drivers and minors who are permitted to drive their parents' cars, constitute the greatest number of offenders. There is said to be a general disregard of the parking rules of the village, and if it is found necessary to use police powers to bring about observance of a condition which means safety and the general well-being of Winnetka citizens in general, the personnel of the police department will have to be enlarged to a point where sufficient men will be available to detect and arrest the offenders.

Start Organization of Winnetka Football Team

Plans for the organization of a community football team were being completed early this week and the actual organization of the team will start immediately, it has been announced. Candidates for the team, and anyone desiring to try out, are requested to report at Community House at 8 o'clock Thursday evening, August 25, or to call E. Schubert at Winnetka 155 any day before six o'clock.

Skokie Country club will have a dinner dance tonight at the clubhouse. Dinner will be served at 7 and dancing will begin at 9. Cope Harvey's orchestra will furnish the music for the dance.

Jack Duncan, son of Mr. and Mrs. John Duncan of 237 Cumnor road, Kenilworth, is on a motor trip through California and the northwestern part of the United States. He is accompanying his uncle, A. Duncan of Milwaukee.
