**Set Attendance Record
at Winnetka's Festival**

Five thousand two hundred and seventy-four people rode on the merry-go-round at West Elm street park on Winnetka day; munched 8,000 ice cream cones and devoured 720 quarts of ice cream, the receipts from all of which went far towards defraying the expenses of the day and leaving the handsome profit reported.

These statistics, among others, were revealed at the meeting of the Winnetka Chamber of Commerce Tuesday evening, the first session since the annual Winnetka day on August 4 and which the Chamber sponsored.

From a financial point of view it was declared a very successful affair and the program, throughout this year, was especially popular.

There is nothing safer in the world than NorthShore real estate. Its economic importance and stability make it extremely reliable for investment purposes.

When you'll really
look forward to dining

Once you've dined at the Library Plaza Cafeteria in the Library Plaza Hotel you'll KNOW that dining out REALLY can be DIFFERENT.

A suggestion for dinner these warm evenings: cold ham, with a dainty appetizing pinkness set off with a generous portion of delectable potato salad, cold slaw—chilled to the right temperature, topped with a dash of mayonnaise, iced tea or milk and a portion of ripe, luscious red raspberries just swimming in rich, creamy cream.

Not the same dull, drab restaurant menu routine, but an array of delicious, tempting dishes that would arouse even the most jaded appetite. Come in today.
