A Laundry Problem in Simple Division

Our Family Laundry Service "rough dry" is merely a problem for you in simple division. Divide your present washday toil and labor by four, and you have the answer. Multiply by four the time you now have to yourself, and there's the proof.

We call for your family bundle and wash everything sweetly clean in soft, fresh water, with purest of mild, white soaps.

All your flat pieces, sheets, table cloths, napkins and towels are nicely ironed and neatly folded.

Drying by aeration smooths the wrinkles from night gowns, pajamas, stockings and similar garments, leaving them ready to use.

Shirts and waist and aprons which need it are carefully starched.

Then we return your bundle, with four-fifths of washday's work done. There remains for you only the ironing of frilly, fussy pieces. The rest of the wash . . . the part that used to sap so much of your vitality and time in the old days . . . is ready for you to fold away.

Yes, it does sound good, and it's even better to practice. Just phone for our driver to call. We're satisfied a trial will convince you.
