

## PLAYFIELD IN MIDST OF PRIZE TOURNEYS

### Play Qualifying Rounds in Championship Event at Community Course

The Invitation tournament for men at Skokie Playfield Thursday of last week got under such headway during the one day originally allotted for the event that it became necessary to continue a part of the scheduled play to a later date.

That was made necessary by the close competition in the morning low gross event, for members, in which Jack MacFadzean and Phillip Runnfeldt tied for first place with a score of 72. The tie was played off the following Saturday, when they again tied on 18 holes with a score of 77 and in the five additional hole play Runnfeldt won by one stroke.

#### Championship Play Today

Much interest is centering upon the 18-hole qualifying round club championship to be played at Skokie Playfield today and tomorrow. Thirty-two are to qualify for the championship flight. Matches are to be played from scratch.

In the third round, Park board cup 18-hole handicap tournament last Saturday, Elmer Nelson and John Belmont tied. The score was still a tie at the end of the second eighteen holes, but in the third 18-hole round, Nelson won, 5-4.

In the 18-hole medal play, with prize for both low gross and low net, last Saturday and Sunday, there were sixty-eight players. For low net, the following tied with 66: M. J. Loeb, C. H. Kreger, J. E. Bradstreet, William King and W. G. Taylor. In the draw, Loeb was first and King second. John Belmont won low gross with 68, while Oscar Fossum, Fred Stoddard and Ernest Belmont tied with 71 for second place, Stoddard winning in the draw.

#### Flag Tournament

Tuesday, August 30, will be the date of the Flag tournament. This is Woman's day, and Mrs. C. B. Cook, chairman of the Women's tournament committee, urges all players to come out.

There were twenty-nine players entered on August 16, the date of the last Woman's tournament, in which low gross, first nine, was won by Mrs. G. W. Andrews, 42; second nine, Mrs. Joseph Brown, 43.

Low net, first nine, Mrs. Viola Smith, 36; second nine, Mrs. Harry Cadenhead, 35.

The surprise was the low net for 18 holes, played by the single girls, Misses Carol Fossum, Frances Dillon, Bertha Freeder, Helen Tilroe and won by Miss Fossum.

The driving contest was won by Mrs. Clarence Happ, with Mrs. William Hartshorn, second, and Mrs. J. H. Brown, third.

Mrs. Vincent G. Cartier was winner in the putting contest; Miss Carol Fossum was second and Mrs. L. M. Stoddard, third.

## Masked Fireman Battles Fumes in Freight Depot

A gas mask and a gallon of soda was the equipment with which a member of the Winnetka Fire department armed himself in response to an early morning call, Thursday, from the freight depot of the North Shore line, at Elm street and Lincoln avenue.

Neither water nor chemicals were needed, but a gallon of soda sprinkled over a quantity of acid of some sort which had been spilled from a container which was being handled in the freight room, quickly killed the deadly fumes. It was impossible to enter the place without having first donned the gas mask, with which the fire department is equipped.

## Winnetka Youths Win Distinction at C. M. T. C. Rally

Grand Visitors' day at the C. M. T. camp at Fort Sheridan, brought hundreds of interested and enthusiastic visitors to inspect the camp, and watch the 1,900 boys as they marched with their colors, behind the band, keeping step to the stirring music of the military band. The parade began at 9:45 a. m., following the arrival of Gen. Charles G. Dawes, Vice-President of the United States, and guest of honor. Nineteen cannon shots saluted the Vice-President upon his arrival in the fort.

General Dawes was immediately taken to the field where he and Brigadier General Lenihan, commander of the Fort, reviewed the troops of soldiers-in-the-training. Over two hundred medals and awards were then presented by the Vice-President. These awards were presented for baseball, swimming, football, volley ball, citizenship, etc. Later the troops passed in review, then returned to their tents and company streets where they were again reviewed by Dawes and Lenihan, who entered the tents on an inspection tour. General Dawes, who dressed formally and wore a high silk hat, impressed the lads tremendously.

Before noon mess six north shore boys had their pictures taken with the generals. John Swabacher and Gerald VanDoren were Winnetka boys in the group.

The afternoon was devoted to an exhibition of military maneuvers, followed by a display of fireworks, and an exhibit of a smoke screen. The cavalry then gave a fine display of horsemanship, and the infantry exhibited a sham battle. The whole camp was thrown open to visitors who enjoyed inspecting the hundreds of tents in the nine company streets.

The whole day was one of interest and enjoyment to the visitors, and will be remembered by the boys as long as they live.

## Promptness of Firemen Prevents Blast in Home

"Service" is the motto of the Winnetka Fire department as demonstrated at the home of N. B. Bederman, 425 Birch street, Sunday. The Bederman family had gone to Chicago, when, upon their arrival there, Mrs. Bederman recalled that she had left the burner lighted under the hot-water tank. She telephoned to Chief G. M. Houren, who with his men went to the house, gained an entrance by a ladder placed against a second-story window and turned off the gas just in the nick of time. The hot-water tank was filled with steam, to the point of exploding. The steam was permitted to escape through opened faucets.

## Winnetka Campers Enjoy Very Own Winnetka Day

Four Winnetka families, away from home for the summer, celebrated their own Winnetka day recently on the beach of the sand dunes of Lake Hamlin, Ludington, Mich.

Those having part in the celebration were the Paul Hutchinsons of 1028 Cherry street, the Harry Clarkes of 978 Spruce street, the George Gordons of 874 Lincoln avenue, and Dr. and Mrs. J. W. F. Davies.

Mr. and Mrs. Clarke returned recently from Cambridge, where Mr. Clarke had been teaching in the Harvard summer school. They are spending three weeks with the Davies family at Indian Hill camp on Lake Hamlin.

## Judge Ryner Hauls in Year's Biggest Muskie

Judge Ira Ryner, 1415 Hill street, Wilmette, has achieved distinction other than that attaching to his august position on the Circuit bench, the newest laurels having been attained in the role of angler extraordinary. Here's how it all came about.

The judge, while fishing more or less leisurely near the Jack Pine cottage at Big St. Germaine Lake, Wis., hooked a muskellunge, weight, 41 pounds, dimensions 51 inches long and 23 inches in circumference.

You're right, it's the biggest muskie to be hauled out of a Wisconsin lake this season.

What's a mere trifle being a judge compared to such a performance, eh what?

Judge Ryner will have the big fellow properly taxidermized and presented as Exhibit "A" for one and all to behold.

And—by the way, it took the judge just twenty minutes to land the season's champion.

## Local Officials to Attend Parley on City Affairs

H. F. Tenney, president of the Village council and H. L. Woolhiser village manager, of Winnetka, will attend the district conference of the Illinois Municipal league at Waukegan, Friday, September 2. Vice-President Charles G. Dawes, Senator Charles S. Deneen, Mayor William Hale Thompson and many other prominent public men are to be there. The American Legion Posts of Waukegan and Chicago are preparing to stage a great parade in which it is estimated that more than six thousand people will participate and in which there will be a thousand or more beautifully decorated floats. The Winnetka officials are in receipt of a special invitation to this affair from L. J. Yager, mayor of Waukegan, and they have signified their intention of attending.

## Inebriated Motorists Draw Heavy Penalties

Carl Magnuson, of 7351 Champlain avenue, and Gerhard Bochlund, of 7311 St. Lawrence avenue, Chicago, were arrested August 14, by Officer Dudley Everett. The former was charged with driving a car while intoxicated, which charge was changed to drunk and disorderly on which he was fined \$100 and costs, Saturday of last week, by R. E. Sinsheimer, justice of the peace. Bochlund drew a fine of \$25 and costs, on a charge of intoxication.

## Rev. A. E. Rohrbach to Return to North Shore

The Rev. A. E. Rohrbach, pastor of the Christian Fellowship, Winnetka, who has been spending the summer in Sweden with his family, sails from there September 17 to return to Winnetka. He will preach at the services in Winnetka on the first Sunday in October.

## LEGION HOSTS OFF FOR ANNUAL REUNION

### State Convention Held Simultaneously With Annual 33rd Division Reminiscence Fete

When the annual convention of the American Legion, Department of Illinois, and the first annual reunion of the 33rd Division convenes for a two days' session in Joliet, beginning next Monday, it will witness Winnetka well represented, down on the front seat and prepared to enter with its usual enthusiasm into all business and fun which has been prepared for this great gathering of "Buddies."

Winnetka Post No. 10 will send a delegation of official representatives in addition to a number of members who are going down for the benefit and pleasure which they obtain from attending these conventions.

The post members who served with the 33rd are all "rarin to go," and in the special car being prepared for the journey they have reserved a seat for William M. Peterson, Winnetka chief of police. Chief will accompany the Thirty-third divisioners as a body guard. In the Thirty-third division car, appropriately decorated with the insignia of the regiment, the flag, and a small mounted cannon, will be William Merrill, Thomas J. Lynch, Bob Doepel and U. C. Abel.

#### Send Two Delegates

The official delegates from Winnetka post are William H. King, Jr. and Myron T. Harshaw. The alternate delegates are Dr. Frank W. Blatchard and Max Murdock. Others from Winnetka who are going are, Clarence Schaeffgen, Marshall Knox, Howard Carpenter, Dr. Frank Woods, A. Lee Adams, Ed Howell, John R. Reilly, E. R. Lewis and J. M. Dickinson. Headquarters for the Winnetka delegation will be at the Woodruff hotel.

The departure of the Thirty-third division quartet early Monday morning will be accompanied by the booming of the cannon which they will have mounted on their special car, and their entrance into Joliet will be announced in a similar manner.

With the Winnetka chief of police and his reputation as a "dead shot" and that of the 33rd division boys as "fightin' scamps," it is confidently expected that when they drive into the convention city, the keys of Joliet will be handed over to them without further ceremony.

Thomas J. Lynch was a sergeant in the 123rd Heavy Field Artillery, and cannons were their playthings over in France. That is the reason they are taking one with them on this, their first reunion.

#### Notable Representation

Abel Davis will carry the 131st Infantry flag and Bob Doepel will represent the 108th Engineers, in which he was an officer in charge of the engineers who threw the bridge across the Meuse river at the Meuse-Argonne front, that memorable event in which the bridge was blown up ten times before the enemy consented to let the determined "Yank" Infantry across.

William Merrill will represent the 108th Field hospital in which he did great service as stretcher bearer and ambulance driver in the thickest of the fray over in France.

There will be so much on which to reminisce during the two days allotted to this, their first reunion, that the time will prove only too short, it is feared.

Mr. and Mrs. H. P. Young of 708 Prospect avenue have returned from a western trip of five weeks. They first attended the tournament held in Seattle by the Western Golf association, of which Mr. Young is president. They spent the rest of the time in Portland, Victoria, and Vancouver, and returned through the Canadian Rockies.
