

Invite Boys to Carve Names in Hall Bell Tower

As the result of the foresight of Village Manager H. L. Woolhiser, years in the future when Winnetka boys of today have grown to manhood return to visit the clock tower in the Village hall they will find inscribed there in their own hand-writing their names and names of their boyhood chums.

It is not permissible for boys to carve their names in the bark of the village trees, as did the boys in former days, but they are not to be denied the pleasure of placing their names where they may be preserved for future posterity.

A large board, on which to write these names instead of carving them thereon with a jack knife, has been placed in the tower and Mr. Woolhiser wants all Winnetka boys to feel at liberty to come in and sign up. If you have previously made a trip to the top of the tower, come again, and sign your name, this time. You are requested to come at 11 o'clock on Saturdays to visit the clock tower.

Arden Shore Ball Date Set for Friday, Nov. 25

The annual Arden Shore association benefit ball will take place the night after Thanksgiving, November 25, in Chicago.

Mrs. Lloyd Smith Shaw, Chicago chairman of the association, will be chairman of the ball and the arrangements for the ball are left to the Chicago committee. The place has not yet been selected, but Mrs. Shaw is now selecting the committee to assist her and the place will be chosen soon. Having the ball the night after Thanksgiving is in accordance with practice of the two last years.

Sixteen telephone company employees were awarded Theodore N. Vail medals for noteworthy service to the public in 1926.

Mrs. Frederick L. Hurlbutt of 934 Pine street was hostess to the members of her reading club Monday last.

Preserving Utensils

What
Will You Be Needing?

Once again preserving time is upon us and everyone is going to be kept busy filling up the vacancies in the fruit cellar.

Preserving is quite a task, but it can be made considerably easier when the proper utensils are at hand. So before you begin this tedious work, you'd better take inventory and see that you have the proper equipment.
