

### LEE Says:

I'VE come to this CONCLUSION about golf— EITHER I've got to QUIT the game entirely OR add a lot of new WORDS to my vocabulary!

HOWEVER—and I might ALSO add, nevertheless— THE game is having a HELPFUL influence on MY business, because I NEVER come back to THE store after a ROUND of slices and HOOKS and dubs that I DON'T feel grateful— GRATEFUL that I have a BUSINESS that I can ENJOY and that I can WORK at without SHOOTING into the ROUGH or getting caught IN a sand trap.

THERE'S no game in the WORLD that I enjoy as MUCH as my business AND I hope your work IS as enjoyable to YOU.

HOW about it?
