## Christian Science

"Christ Jesus" was the subject of the lesson-sermon in all Churches of Christ, Scientist, Sunday, August 28.

The golden text was from 1 John 4:9, "In this was manifested the love of God toward us, because that God sent his only begotten Son into the world, that we might live through him."

Among the citations which comprised the lesson-sermon was the following from the Bible: "The people that walked in darkness have seen a great light: they that dwell in the land of shadow of death, upon them hath the light shined. For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace" (Isaiah 9:2, 6).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Jesus was the son of a virgin. He was appointed to speak God's word and to appear to mortals in such a form of humanity as they could understand as well as perceive . . . He expressed the highest type of divinity, which a fleshly form could express in that age" (p. 332).

Elwood Mons, son of Mr. and Mrs. Harry W. Mons of 151 Woodstock avenue, returned to Kenilworth last week after spending eight weeks attending a summer woodcraft course at Culver, Ind.

Miss Katherine Stolp of 336 Warwick road, Kenilworth, has been the guest of Mr. and Mrs. John McGill and their son, Donald McGill, of Wilmette, at Burlington, Wis.

## Club Head Says Auto Facilities Can Be Reduced

"Automobile fatalities could be lessened to at least a fifty percent grade if only a few simple rules of road courtesy were adhered to," says President Si Mayer of the Automobile Club of Illinois in a recent bulletin issued by that club. Many out of town motorists, unfamiliar with the traffic regulations of the city, county and state unconsciously follow in the footsteps of the car bearing an Illinois license plate. If the fellow ahead outs in and out of traffic or passes up a street car or whatever the case may be, it encourages the visitor to do the same thing, not knowing that it may be in violation to our traffic laws.

The Automobile Club of Illinois has prepared the "Ten Commandments of road courtesy" which are as follows:

1. Do not neglect your responsibility by carelessly looking around while conversing with passengers either to your right, or scoot around another car.
2. Drive in a straight line.
3. Always signal your intentions when starting, stopping or turning.
4. Have due regard for pedestrians, especially women and children who desire to cross a street or boulevard.
5. Drive at a conservative, sensible speed.
6. Do not pass a standing street car loading or unloading passengers.

Mrs. Moody, who is living in Mrs. John Marshall Roberts' home at 328 Warwick road, Kenilworth, entertained a large group of her friends at a luncheon last Thursday.

The Kenilworth girls who have been vacationing at the camp near Roosevelt, Wis., returned to their homes Wednesday evening.

IT IS BETTER to buy your children's shoes at Pool & Piper's and know they are right for growing feet than to buy without discrimination and hope they are right.

Store Hours: 8 A. M. to 6 P. M

## Returning to School?

Many of the young ladies are soon returning to school. Many of them have already ordered a new fur coat, while others are just having their old one re-lined or remodeled.

We are showing coats of many styles and designs in a variety to please the most discriminating. Pony coats are popular with the co-eds.

Repairing — Relining — Remodeling
