By JEAN TEN BROECK

In this instance it is not the proverbial bad penny that turns up, but news of our north shore golf clubs. Throughout the summer these clubs are the center of society's pleasure, both socially as well as in sports, but ever so often there is an especial flare-up of activity to cause interest more widespread. Now it is the club championships for women, special events, and dinner dances with which we are concerned.

Some club champions already have been made this season, others are even now in the making. Bode, runner-up. Mrs. E. T. Schildberg leads Class C, with Mrs. Fred Hipp runner-up. In the qualifying round Monday of last week Mrs. H. D. Golf events are arranged for the afternoon, and the plans, not yet complete, will include prizes for combined low net and low gross scores, and for putting contests. Following the afternoon golf, a dinner dance will be given.

Miss Mercedes Bush continues as champion at Westmoreland this year and Mrs. Rodney Bliss is runner-up. The championship play took place during the past week. There were four flights of eight players each, and in addition to the contest for the club title, championship was decided as follows for first, second, and third flights: Mrs. Lily Drexsmitt, first; Mrs. Chapman of Winnetka, second; Mrs. Charles Burgsall, third.
