

THE GEORGIAN

*Truly - The Fashionable Place
To Live In Evanston!*

THE GEORGIAN is exclusively residential. No breath of commercialism mars its architectural elegance, nor is the quiet and refinement of this fastidious place to live blemished by shops or crowds of shoppers. Designed primarily as a place to live, THE GEORGIAN reflects every quality of the well planned home—residential sized rooms, large kitchens in lieu of cuddy hole kitchenettes, bathrooms with outside windows, spacious closets and furnishings of character—these bespeak the complete residential atmosphere of THE GEORGIAN.

And beyond these carefully provided essentials of home comfort, residence at THE GEORGIAN carries with it prestige comparable to membership in the exclusive club together with that feeling of satisfaction that comes from knowing you are living in Evanston's most beautifully appointed and perfectly serviced apartment hotel.
