MINTURN PLAYERS

"The Dove", by Willard Mack, will be the opening attraction by the Minturn Players, at the Chateau theater Chicago, commencing Monday evening, September 5. Mr. Minturn has several of the old favorites of the company with him at the Chateau this season including, Henrietta Tedro, June Kerwin, Willis Hall, Earl Jamison. "The Dove" was originally produced by David Belasco, and was a decided hit right from the start, the run of the play at the Blackstone theater being exceptionally successful.

BAHAI LECTURES

The topic at a Bahai meeting which will be held at the studio of Louis Bourgeois, architect, 536 Sheridan road, Wilmette, at 3 o'clock Sunday afternoon, September 4, will be "Universal Language as an Essential Step Toward Unifying Mankind in Bonds of Love."

New Evanston Will Reopen With Stock Company Labor Day

The Evanston Stock company will open its second season at the New Evanston theater Monday evening with a showing of "Little Spitfire."

A new cast of carefully selected actors and actresses, picked by Clyde J. Elliot, manager, from productions in all parts of the country will fill the bills at the New Evanston in the new season.

Miss Marjery Williams, who appeared here last year, has been engaged again to play the leading roles. Opposite her will be a star new to Evanstonians, Ernest Woodward. Mr. Woodward has been playing in Philadelphia.

"Little Spitfire," the first offering of the season, is the comedy drama which appeared at the Cort last year. The second week's bill will be "The Meanest Man in the World," and following productions will be "Seventh Heaven," "Easy Mark," "The Show Off," "In Love with Love," "Lightning," and "Thank You."

The cast is practicing now for the opening attraction. Besides the leading lady and man, others to appear are Gene Clarendon, seen in Evanston before; Miss Francesco Hill, who has been playing in New York productions; Miss Rita Zane, who will play juvenile roles; Frank Kelly, star of "Young Love," a road attraction; Miss Marjorie Sutherland, who has just left Frank Keenan's company and Miss Lou Welch, who will be cast in character parts.

Carl Wey, associated before with Mr. Elliot, will direct the productions. "Chick" Harvey will be theater manager, and all the productions will be under the personal supervision of Mr. Elliot.

The New Evanston has been completely renovated for the season. A large stage crew is being maintained for stage setting, which, Mr. Elliot states, will be superior to that of last year. Seats are now on sale and season reservations are being taken.

Varsity Open Despite Trouble in Movie Ranks

Despite trouble between the Chicago Exhibitors' association and the Motion Picture Operators' Union, which caused all Chicago movies to close, the Varsity continued in operation. However, the Campus theater closed as did the Village theater in Wilmette. The Varsity has sufficient films on hand to operate through Thursday, according to the management.
