

Aetna

TRADE-MARK

Automatic Oil Burner

Built for a Lifetime

*Regardless to the kind or size of a Building, There's
a Correct-Sized Aetna for it*

Home owners have found safety, comfort and convenience beyond their fondest hopes. Owners, managers and trustees of large buildings have found the Aetna has effected a substantial savings in both labor and fuel costs. Heat is applied where it will do the most good, in every size and type of installation. The Aetna flame is distributed uniformly and in such a manner as to apply heat directly to water sections or tubes of boilers, producing the highest possible degree of efficiency of heat transfer in the manner provided by the designers of the boilers or furnaces.

Aetna Automatic Oil Burner can be installed in any heating plant

"The Home of the Well Groomed Car"

Washing — Polishing — Simonizing

WASHING

No one really needs to be told that it is essential to have your car washed regularly—Tar and mud are harmful to the finish.

POLISHING

There's no need for a shabby looking car. Our polishing service proves very satisfactory as well as economical.

SIMONIZING

Regardless of the finish of your car—it should be Simonized. It gives you a more permanent luster finish.
