

WINNETKA TALK

Published weekly by Lloyd Hollister, Inc., 564 Lincoln Ave., Winnetka, Illinois. Entered as second class matter March 8, 1912, at the post office at Winnetka, Illinois, under the Act of March 3, 1879. Subscription price \$2.00 a year.

VOL. XVI, NO. 28

WINNETKA, ILLINOIS, SEPTEMBER 17, 1927

PRICE FIVE CENTS

DOLLAR BARGAIN DAYS HERE SEPTEMBER 22-23

**Next Thursday and Friday Set
as Semi-Annual Opportunity
Days for Shoppers**

The purchasing power of the dollar, which has been gradually extended since the days of away back in "war times," will have attained its greatest value from this point of view in Winnetka, it is said, on Dollar Days, scheduled for Thursday and Friday of next week.

Therefore, say our merchants, round up all your dollars that you have heretofore considered just ordinary purchasing pieces or interest bearing coins, and use a portion of them, at least, to earn on these two great Dollar Day occasions some real profit and benefit.

Survey Shoppers' Needs

Winnetka merchants have made a careful study of their stocks and the needs of the buying public at this particular season, and, in making their respective announcements of articles which they will sell at One Dollar on these two days, have more than compounded interest on what one will invest with them at this time, it is declared.

All the details of these unusual buying opportunities are set forth in the announcements in this issue of WINNETKA TALK by the following merchants who are featuring unusually attractive bargains on Dollar days:

Frank Borovicka, florist; Henry Ilg, florist; North Shore Electric Shop; Richardson garage; R. H. Schell; Winnetka State bank, and, last but not least, G. L. Zick and company.

Horseshoe Champs Find Big Field of Ready Challengers

Elmer E. Adams and A. Lee Adams, the well known father and son team of Winnetka horseshoe tossers, have challenged H. Dickau and Orville Edwards, the present village champions, to defend that title.

Likewise, Leigh Vincent has issued a challenge to George Wood, holder of the singles championship, to meet him in a contest to determine whether he is entitled longer to retain the much coveted honor.

These challenges were formally posted at the meeting of the Winnetka Chamber of Commerce, Monday evening, and Secretary B. G. Eberly is to arrange a date on which these important events are to be staged. The games will be played at the West End park.

Invite Contributions for Christ Church Rummage

Christ church, Winnetka, will hold its annual rummage sale in the Parish House, Thursday, October 6. The doors will be open at 8:30 o'clock in the morning.

If those willing to make contributions will please notify Mrs. Frank D. Fulton, 884 Hill road, phone Winnetka 964, or Christ church Parish House, phone Winnetka 884, the articles will be gladly called for, it is explained.

Heads New School

M. C. K. Little is president and financial advisor of the North Shore Military Academy recently established in Niles Center between Dempster and Oakton streets south of the Evanston Golf course. Other outstanding leaders interested in the new institution are Oscar E. Carlstrom, Attorney General, state of Illinois; George W. Dixon, trustee of Northwestern university; Walter J. Raymer, member of the Chicago board of Education, and A. M. Shelton, director of education for the state of Illinois. Officers with Mr. Little include William D. Saltiel, vice-president; Russell L. Furlong, secretary-treasurer; Paul E. Rudd, assistant secretary-treasurer. The school will open its doors Monday, October 3.

Arrange Church Service Especially for Teachers

At the request of Frederick E. Clerk, superintendent of New Trier High school; Perry Dunlap Smith, headmaster of North Shore Country Day school and Carleton W. Washburne, superintendent of the Winnetka Public schools, the Winnetka Congregational church will make its Sunday morning service on September 25, a service especially for teachers.

At this time the Rev. James Austin Richards has been requested to speak with public school teachers in mind, very much as he spoke on the first Sunday in June, relative to the work of the Church school teachers.

The subject of that sermon was, "What Prosperity Does for Us." A similar subject will be chosen for the sermon on September 25.

London Pastor to Preach at Christ Church Sunday

Rev. Oliver Dryer of London, executive secretary of the International Fellowship of Reconciliation, will preach at Christ church at the 11 o'clock services Sunday morning, September 18. The primary object of the International Fellowship is the shattering of the barriers of race hatred on the Continent of Europe, it is explained, toward which end the organization has been singularly successful.

Carleton Washburne Was Fairly Busy Vacationer

"Who can squeeze more activity into a summer season than Carleton Washburne?" asks Herbert L. Woolhiser, editor of Rotary Call, organ of the Winnetka Rotary club. "Lecturing in Colorado—the same here for a day or so—across the Atlantic to the World conference on Education at Locarno, Switzerland, where he talked on the Winnetka system—thence to Berlin and via airplane to Russia to study and report on educational conditions for a semi-official mission of the American Federation of Labor. From Russia across the Baltic to Sweden and Norway, and then back home."

Mr. Washburne, Winnetka's superintendent of schools, is a member of the Rotary club.

MISSIONARIES HERE

Rev. and Mrs. Paul R. Reynolds, Ministers to China from the Congregational Church, Return for Visit

Rev. and Mrs. Paul R. Reynolds, missionaries to China from the Winnetka Congregational church, will arrive in the village today to be guests over the week-end at the home of Mr. and Mrs. Frank Ferry, 391 Sheridan road.

At 9:30 o'clock Sunday morning Mr. Reynolds will address the Men's class. Both Rev. and Mrs. Reynolds will attend the 11 o'clock service, as worshipers, and at the evening service Mr. Reynolds will give a brief, informal talk on "The Chinese Christian Church."

On Wednesday afternoon of next week the Women's society of the church will give a reception at the home of Mrs. Ferry, from 2:30 until 5, for Mrs. Reynolds, to which all the women of the parish are invited.

Rev. and Mrs. Reynolds have been at Fenchow Shansi, China, for six years, this being their first furlough during that time. Their work in China has been so organized that it may be carried on by the Chinese who were associated with them. The latter have been requested by the Chinese to return, but no definite time has been set for their going back. They are home for a furlough of eighteen months and following their visit here Mr. Reynolds goes to Union Theological seminary, at New York, N. Y., for a year.

Child Struck by Auto Reported on the Mend

Grant Douglass Telfer, three-year-old son of Mr. and Mrs. Robert M. Telfer, Jr., of 842 Cherry street, who was struck by an automobile Friday evening, September 9, is recovering rapidly from the injuries he sustained. His ankle was sprained and he received minor cuts and bruises. The accident occurred in front of his home.

HEAR CONVENTION REPORT

Winnetka Post No. 10, American Legion, will meet Monday evening, September 19, at which time reports will be heard on the recent state convention at Joliet.

DISCUSS PAVING OF CENTER STREET HIGHWAY

Informal Public Hearing on Another Link In the New Through Highway

Another step in the completion of Winnetka's share of the new through highway through that village was taken at an informal public hearing called by the village council Monday evening, at which time the prevailing opinion was that a re-zoning measure for a section of Center street should be coupled with the plans for the new highway.

The section being considered is Center street from Elm street to Tower road, which, according to a large map presented by Village Engineer Frank A. Windes, it is proposed to construct as a fifty foot pavement from Elm to Spruce and forty feet from Spruce to Tower.

Favor Re-Zoning

There were about forty property owners represented. All were agreed that the section of Center street which has not already been zoned for business should be done so now, regardless of the fact that the zoning board on three previous occasions has declined to make this change.

Some were of the opinion a forty foot pavement is not wide enough, or will not be wide enough in a few years when the road throughout is completed and the full stream of traffic is turned on it.

Others favored making the road as wide as it is possible to make it without having to take any of the property. This, Engineer Windes estimated, would be about forty-five or forty-eight feet. Some favored taking sufficient property to make a fifty foot road if it is thought a street that wide would be found to be necessary within the next few years. This, it was pointed out would be much more advisable than to proceed with a forty foot road now and a little later, should it be found to be insufficient, to have to tear up the street and build the additional width.

State Will Aid

Engineer Windes, in reply to an inquiry, advised that the state would pay for twenty feet of a forty foot street and if it is made fifty feet the state would pay for forty feet, but in the latter event would insist on a wider right-of-way than sixty feet.

Several members of the village council were present, including President H. F. Tenney, who explained that the council has been studying the plan proposed for some time and desired to obtain an expression of the property owners before proceeding further.

Adjournment was taken until some future date when the plans are in more definite form.

LANDS FINE PICKEREL

Mrs. Henry Luensmann, of 804 Elm street, Winnetka, returned last Saturday from a two weeks' vacation which she spent with Mr. and Mrs. Ralph Barker, of 1521 Forest avenue, Wilmette, at Mikana, Wis. The fishing was good and the weather was fine for their trip. Mrs. Luensmann landed the finest pickerel that was caught by any member of the party.
