

**LEE Says:**

WE heard a story  
 THE other day about  
 A man in  
 WINNETKA which  
 HARDLY seems possible  
 BUT we are assured  
 THAT it is absolutely  
 TRUE. This particular  
 MAN was down to the  
 PARK on WINNETKA DAY  
 LOOKING around with  
 HIS youngster and all  
 HE was spending was  
 HIS time. Finally his  
 YOUNGSTER begged so hard  
 TO take a ride on the  
 MERRY-GO-Round that  
 HE decided to treat  
 HIM to a ride so he  
 TOOK out his purse  
 TO buy a ticket and  
 WHEN he opened his  
 PURSE out flew three  
 BIG moths.  
 WE would like to get  
 IN touch with this  
 MAN and tell him about  
 ENOZ moth spray.  
 ENOZ by the way is a  
 WONDERFUL moth killer  
 AND had this particular  
 GENTLEMAN used Enoz on  
 HIS pocketbook the  
 MOTHS would not have  
 BEEN present on this  
 OCCASION.

**Mr. and Mrs. V. A. Rogers  
 Return to Florida Home**

Mr. and Mrs. John Arthur Rogers, of Daytona Beach, Florida, formerly residents of Winnetka and who spent the latter part of the summer at Indian Hill camp, on Lake Hamlin, near Ludington, Mich., returned to Winnetka Tuesday with Chief Davies and family, who have been at camp since June 13. Mr. and Mrs. Rogers left Thursday to motor to their home.

**THE COVER**

The art of photography is demonstrated in the picture of the group of new teachers at the Winnetka schools which appears on the cover of this issue. John Ridgely Marshall, photographer, posing the teachers on the edge of the pool, thereby producing reflections in the water, missed none of the high lights in turning out an artistic picture.

**SELLS WINNETKA HOME**

C. E. Olewine has sold to Charles H. Feltman the residence at 1000 Vernon avenue, Winnetka, recently completed, and has just started work on his new home at 225 Lincoln drive, Glencoe.

Dr. and Mrs. James P. McCormick and their son, Allen, have returned to their home in Edmonton, Alberta, Canada, after a visit with Mr. and Mrs. Willis S. Hilpert of 455 Chestnut street.

Mr. and Mrs. Louis Northrop of 707 Hill road are receiving congratulations on the birth of a son, Edward Moore Northrop. The baby was born September 2 at the Evanston hospital.

Charles Howe, Jr., left Kenilworth yesterday to go to Knox college for his freshman year.

**Make Rapid Strides  
 in Construction of  
 New Library Section**

Excavation for the new addition to the Winnetka public library was nearing completion this week and work was being started upon the erection of the new section of the library building. The doors of the library were closed Thursday evening and will remain closed until about January 1, when it is anticipated that the building will be completed.

In the meantime temporary quarters will be maintained at the Village hall where, although no books will be circulated during the construction period, the library staff, under the direction of Miss Mary Hewes, librarian, will go over the records, catalogue all new books received and get the various library facilities ready for the re-opening.

More than 6,000 books have been withdrawn from the library since September 1, the librarian having granted residents the privilege of withdrawing ten books each which are to be held out until January 1. A large percentage of the 6,000 books were borrowed by the Winnetka public schools and the New Trier High school.

Plans are now being formulated whereby the total of the number of books owned by the library, which at the present time is 18,000 volumes, will be doubled through a program of periodical purchases.

**RETURNS TO WELLESLEY**

Miss Elizabeth P. Richards, daughter of the Rev. and Mrs. James A. Richards of 739 Lincoln avenue, returned last Sunday to Wellesley college where she will enter this year as a junior.

**Ready  
 for  
 Fall**

The interesting departures from last season's vogue, the smart combinations and new shades add a note of new charm to Autumn wear.

We suggest an early visit to make acquaintance with these newer trends of the authentic mode.
