### Started on Big Year's Program

Many troops have been "hitting on all sixes" right through the summer, adapting their meetings to the season and needs. Others have been having a nice vacation and are now beginning to swing into action to begin another big year. Troop 36 of Highwood plans a rally banquet for Wednesday, September 21.

### Enroll for "Training Stampede"

Last year a training course was held

on one evening of the week for eight weeks. A variation is planned for this fall of concentrating the sessions into a short period or "stampede." The last week in September and first week in October have been designed as "training" weeks and men interested in learning more about the "Nature and Needs of Boys" will meet on Monday, Wednesday and Friday of these two weeks at the Glencoe Union church, Glencoe. The sessions begin at 7:30 p. m., and are open to all men. There is no registration fee or other charge or obligation.

The Executive board of the North Shore Area Council of the Boy Scouts of America announced early this week the objectives for the various committees for the coming year. The committee chairmen are:

Dr. George B. Lake of Highland Park, committee on advancement and Court of Honor; Karl D. King of Wilmette, committee on effective troop organization; R. "Rather snappy looking shoes you're buying lately, Marjorie. Does Mother approve of such advanced models for the feet of a growing young person like you?"

"Of course she does, Dad; you're just not in on the secret. They're Modern Miss Shoes from Pool & Piper's; and the advanced part is all in the style, you see, because grown-up lasts would play mischief with feet that are still growing. The girls in our set at high school started wearing the Modern Miss when they were in the seventh grade!"

Store Hours: 8 A. M. to 6 P. M.
