**Northwestern Symphony to Give Next Appearance Near Thanksgiving**

The customary placing of the time of its first concert of the season by the Northwestern University Symphony Orchestra on the Tuesday evening before Thanksgiving, will not be in order this year, officials announce, on account of conflict with a previously-planned entertainment that date.

It will be held, however, about that time, it is announced. Settlement of the troubles of the Chicago Symphony orchestra has been a matter of considerable relief to the local group, inasmuch as a number of them play annually with it.

Prof. Harold Knapp has directed the orchestra during its number of years of organization and will be in supervision again this season. He is planning the first concert and arranging for rehearsals to begin about the end of September.

**Teachers Return From World Education Meet**

Miss Beatrice Hays and Miss Marion Elwell of the Orrington hotel have returned from the World Conference on New Education, held in August at Locarno, Switzerland, bringing interesting reports of proceedings there.

The two were with the group of 20 Winnetka teachers who won first attendance honors. One report from the meeting was the international interest that is being generated in the Winnetka system of individual education introduced and directed by Carleton Washburne, superintendent of the Winnetka schools.

The J. B. Riddle family of 995 Oak street has returned from spending the summer at Ellison Bay, Wis.

**Club Vista del Lago Responsible for Organization of North Shore Boy Scout Troop 15**

Announcement of a new Boy Scout troop for the north shore which will be formed under the auspices of the Club Vista del Lago and composed of the club members' boys, was made this week by L. L. Arms, managin director of the club. It will be known as Kenilworth Scout troop 15.

Formation and drills will take place at the club, this Saturday having been the date set for first enrollment. L. C. Simmel, club executive, who recently made his home on the north shore and who, while living in California, was Scout Master of the Golden Gate's crack troop, will be in charge of the undertaking.

Commodore J. Stuart Blackton, club president, originated the idea and upon receipt of telegraphic approval from his old friend, James E. West, who is the National Scout Executive, said:

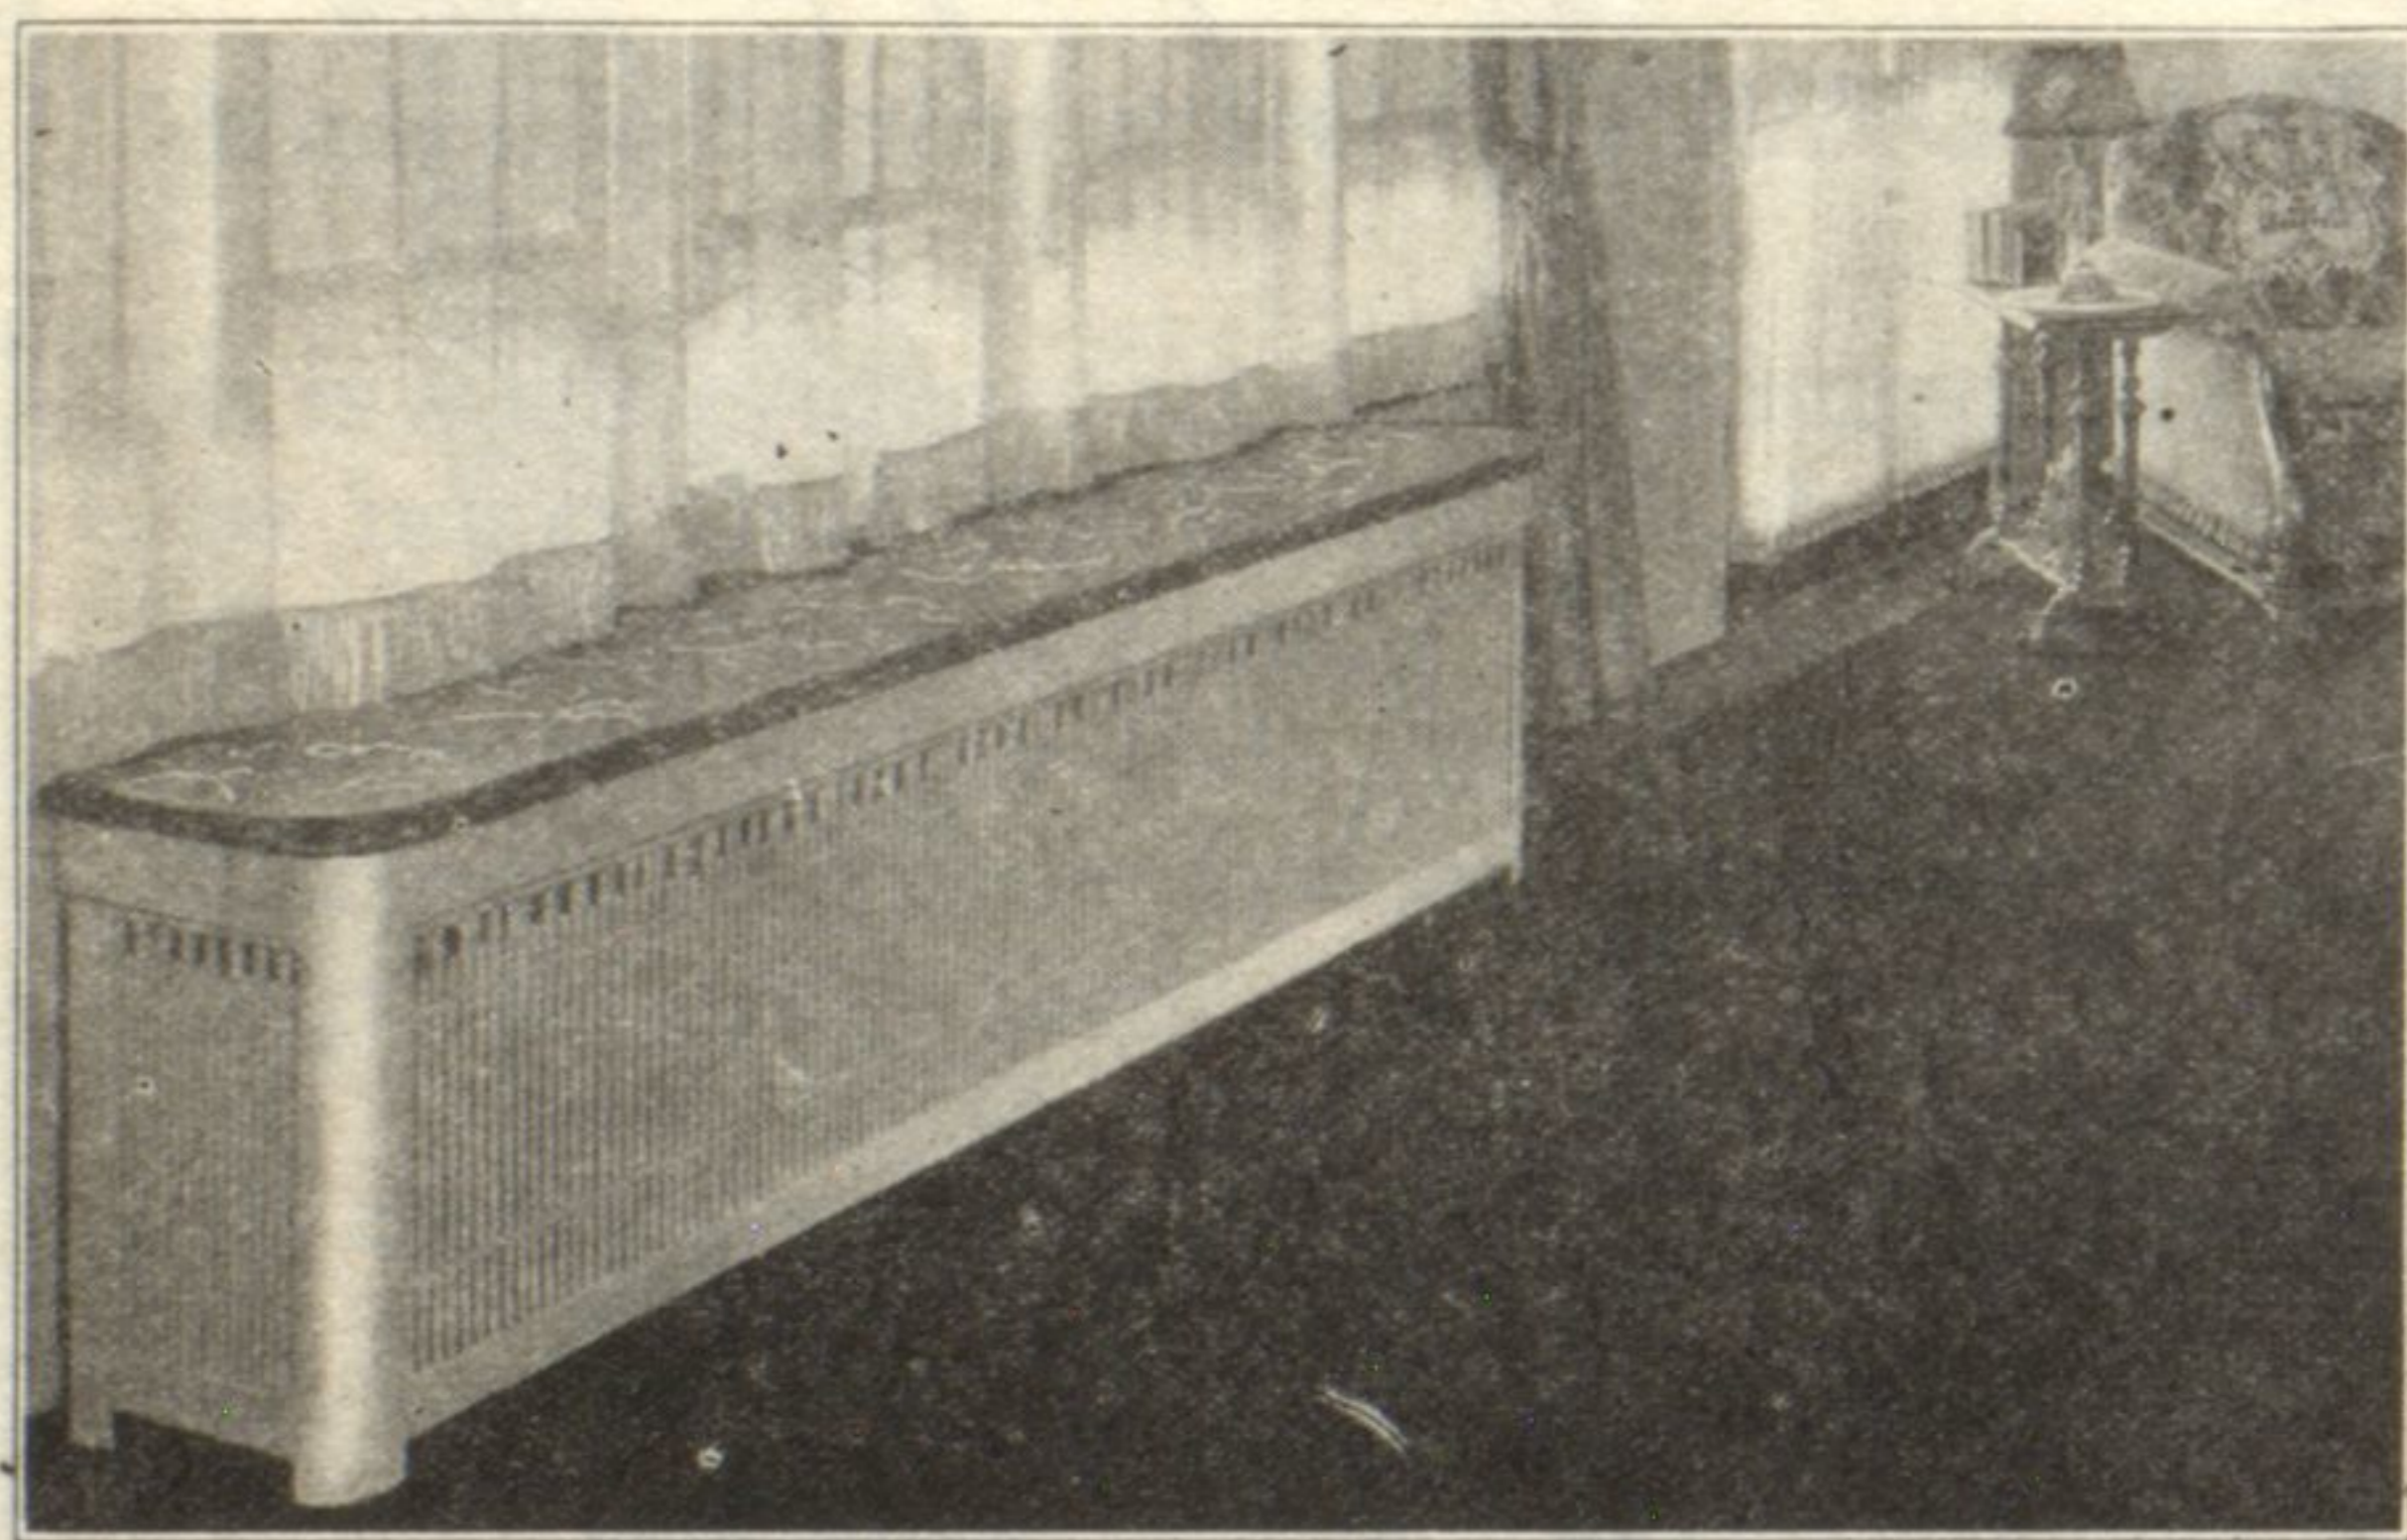

"This activity while somewhat of an innovation in club life is but one feature of our general program of providing entertainment and wholesome recreation for everyone in the members' families, the principle on which Vista del Lago was founded."

Mr. and Mrs. Raymond Wheelock and their family, 89 Robsart road, Kenilworth, recently returned from a three weeks' vacation at Normandy Court, Eagle River, Wis. Mrs. R. C. Taft and Mr. and Mrs. Frederic O. Ebeling of Wilmette were there with the Wheelocks.

Mr. and Mrs. Arthur H. Woodward, their daughter, Elinor, and their son, Herbert, of 685 Ardsley road, returned early this week from Champion, Mich. They spent a six weeks' vacation there.
