Christian Science Church

"Substance" was the subject of the lesson-sermon in all churches of Christ, Scientist, Sunday, September 11.

The golden text was from I Cor. 2:9, "Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him."

Among the citations which comprised the lesson-sermon was the following from the Bible: "Riches and honour are with me; yea, durable riches and righteousness, in the midst of the paths of judgment; That I may cause those that love me to inherit substance; and I will fill their treasures" (Proverbs 8: 18, 20, 21).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "As God is substance and man is the divine image and likeness, man should wish for, and in reality has, only the substance of good, the substance of Spirit, not matter. The belief that man has any other substance, or mind, is not spiritual and breaks the First Commandment. Thou shalt have one God, one Mind" (p. 301).
