## Is Your Time Worth 10 Cents an Hour?

*"I would like to send my washing to the laundry but I can't afford it."*

In days gone by women never thought of their time as having money value, but it's different today. Their time is worth something.

Usually it requires from 10 to 15 hours to complete the family wash. If you value your time at only 10 cents an hour, you spend from \$1.00 to \$1.50 on the family washing. And if you value your time 20 cents an hour . . . which certainly wouldn't be excessive, you spend from \$2.00 to \$3.00 worth on washday. This does not include the costs like wear on yourself; soaps, power and fuel.

Why continue this wastage of self? Ours is an economical, cloth-saving method. A plant, airy and bright with sunshine. Employees healthy and capable. Soft water and fluffy suds for your clothes. Ironing in a modern, steam heated way gives a beautiful, glossy finish to your things. If wash-day has vexed you in the past, gain freedom in the future by sending you family bundle to us.
