WITH a Bryant Gas Heating Plant in your home the cares and bothers of furnace tending are banished forever. There is no stoking, nor shoveling of ashes, nor drafts to adjust—the only work you have to do is strike a match in the Fall. Automatic Gas Heating requires "no more care or attention than a pup can give it."

Judged by standards of comfort, cleanliness and convenience, no heating method offers such outstanding heating value as gas. Our special, low rate for house heating brings the cost of this modern, carefree heating service well within reach of most home owners. Just what this cost will be for your home can be closely estimated by one of our gas heating engineers. You will incur no obligations by asking him to call. Just phone.
