

New Districts Are Organizing to Wage War on Skeeter Pest

With the DesPlaines Valley district petitions completed and filed and with mosquito abatement districts in Lake county being formed, the North Shore association is being spurred to greater activity to complete the final step, which will spell doom and extermination for the mosquito pest for many miles around.

The North Shore association convened last Monday evening at the office of John F. Hahn, the treasurer, in Evanston, where numerous communities reported the completion of petitions which are being circulated for signatures for the special election authorizing funds for the work of mosquito abatement in this vicinity.

It was reported that about one thousand signatures were needed in Evanston before the final report from that city is completed, and, with additional aids in the work of circulating the petitions, it was hoped to have the full quota signed up by the close of the present week.

Adjournment of the meeting Monday evening was taken subject to call by the president, William Edwards, of Glencoe.

Cauuet Language School to Begin Classes Monday

La Francaise, M. Cauuet's school of languages, is to open Monday at the Winnetka Woman's club. The term this year will be forty weeks, instead of thirty, and Italian, as well as French, will be taught, it is explained. M. Cauuet may later give a series of "conferences" in Winnetka, as he has done in other years in near-by towns.

MEETINGS

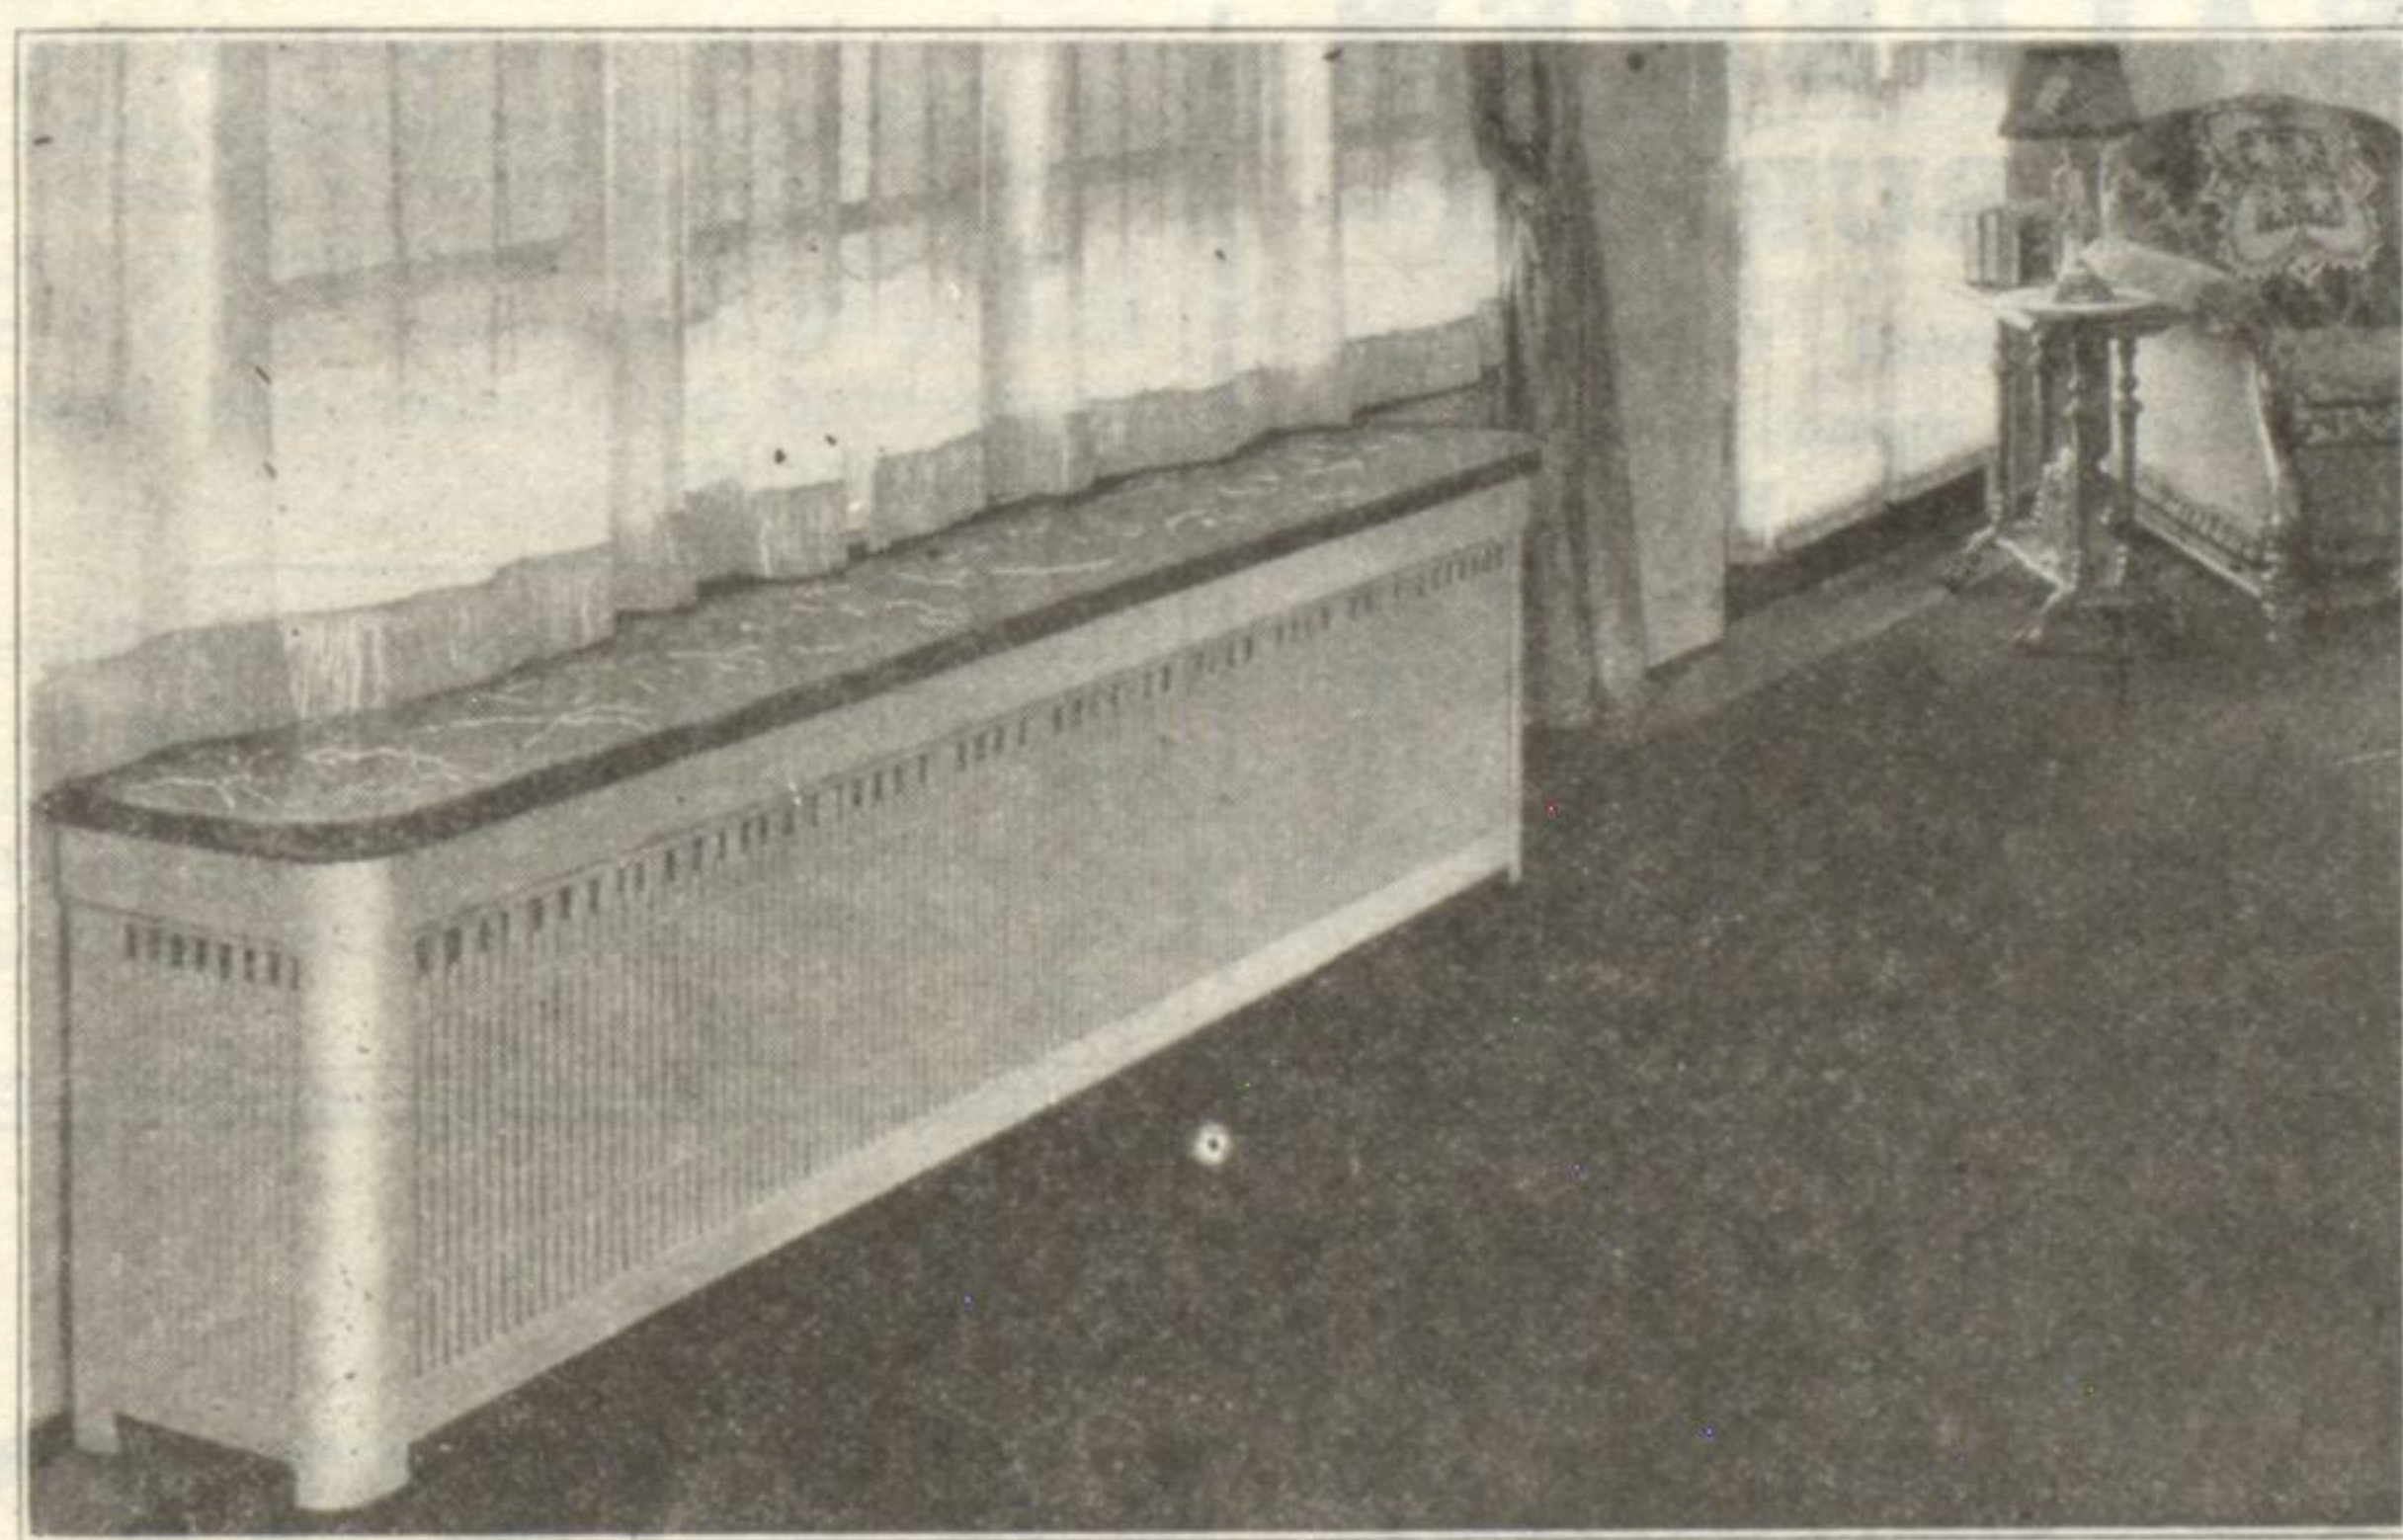

Friday, September 30: Junior Walther league.

Sunday, September 25, will be Mission Sunday at St. John's. The entire services of the day as well as the special offerings will be devoted to missions. Pastor Carl Kurth, one of the members of the District Mission board, and president of the Northern Illinois district of the Walther league will deliver the two morning sermons. Dr. William Ruesch is the soloist. The choir will also sing. The morning services will begin at the usual hours, 9:45 and 11 o'clock. Do not forget to set your clocks back to regular time. In the evening service, beginning at 7:45 o'clock, there will be two speakers, the Rev. Jose Fernandez, pastor of the Mexican Lutheran church in Chicago, and the Rev. Henry Sandvoss, one of the city missionaries of the Lutheran church in Chicago. Pastor Sandvoss' work lies largely in the city and county institutions. Both of the speakers will deliver ten minute addresses on their particular field of work. A quartet from the Mexican church will sing. Everyone is cordially invited to any and all of the services.

A group of Winnetka girls are returning to Smith college this fall. Among those leaving on the Smith Special Sunday morning are the Misses Helen Brown, Janet Gordon, Dorothy Dickinson, Barbara Mettler, Louise Clabaugh and Elizabeth Babcock.

Miss Susan Burlingham, daughter of Mrs. Frederick Burlingham of 630 Maple avenue, has returned to Vassar college.
