### "Quality Work" Is Making This Man More Popular Every Day

To give the family laundry to Bill The Washington Laundry Man is assurance that "Quality Work" will be returned, and at a figure lower than it could be done at home. So many housewives are giving him the weekly laundry, that it was necessary to add 3 trucks to our present fleet.

### Scouts Are Guests at Illini-Bradley Game on October 1

Bradley's formidable football team will open the University of Illinois season October 1. The Peoria team, with the prestige of twenty-four straight victories in three years, is regarded as likely to provide the Illini with plenty of trouble.

The occasion of the Bradley game will be Boy Scout day when the troops of the state and nearby Indiana will be guests. All Scouts are invited, Director George Huff announces, and if any troop have not received invitations it is an oversight. These troops should immediately notify Director Huff that they are coming and complete information will be furnished. School children of the counties adjoining Champaign county also will be guests at the Bradley game.

While football practice is in full swing, enthusiasts are ordering tickets for the Michigan game, October 29, and the Chicago game, November 12. These are the two big home battles for the Illini. There are plenty of good seats available for both engagements, the football ticket office announces.

The Illini squad is headed by fourteen letter men, as follows: Captain Reitsch, Schultz, Marriner, Grable, Nowack, Perkins, Nickol, D'Ambrosio, Mitterwallner, Muegge, French, Stuessy, Stewart and Peters. Mitterwallner and Muegge were varsity players in 1925 but were not on the squad last year. Jud Timm, who had won a place in the back field last year when he was retired by an injury, is back apparently in good condition and is regarded as the most promising back.
