

### Dennis Announces Changes in School of Speech Staff

David Owen, graduate of Leland Stanford university, has been added to the staff of the School of Speech of Northwestern university, according to an announcement made by Ralph B. Dennis, dean of the school.

Dean Dennis also confirmed the report of two other changes in the faculty when he announced that Alexander Dean and Vance Morton, both professors of stage arts, would not return to the university. The resignation of Mr. Dean also deprives the North Shore Theater guild of a director. Mr. Morton has accepted a position as associate professor in dramatics at the University of Iowa.

Mr. Owen will teach a course in acting and another in the history of the American stage. Last year he had charge of dramatic work in the department of speech at the University of Michigan.
