

# Vista del Lago's First Board of Governors

OFFICIAL announcement is made by Club Vista del Lago, of the first appointments to the club's board of governors. Chosen from the life members the first five selections fell to the lot of Hugh McLennan of Lake Forest, and P. W. Bradstreet, Mellen C. Martin, Leslie L. Cooke, and Harry C. Watts of Winnetka.

Well known to the north shore and with a wide experience

among the foremost clubs of Chicago and environs, these men are splendidly equipped to advise on membership interests during the continued development of this club.

Another announcement of importance to club members is found in the statement that the club's life memberships were retired September 21. This fact places the club in an enviable position.

Mellen C. Martin

## Hanley Seeks Passer to Replace Baker in Purple's New Machine

Rapid strides toward midseason form marked the progress of the Northwestern football squad during the first week of practice. The warm weather of last week helped materially towards getting the gridders into shape and Coach Hanley wasted little time in getting down to the actual business of whipping together a first string eleven.

However, the new Purple mentor has a big job cut out for him this fall. The result of the first week of drill shows a decided weakness in several departments. Development of a forward passer to take Baker's place is one of the principal worries of the new Wildcat chieftan while at the same time he is doing a lot of thinking about his end positions.

Right now the flank jobs are being handled by Waldo Fisher, last year's regular, and Harry Kent, a sophomore who has been shifted from fullback. Fisher is a bit light but is holding down the first string assignment in fair shape so far. Kent still has a lot to learn about his new position but he learns fast.

Coach Hanley is fairly satisfied with his ball carriers and after sizing up his assortment of backs he has every reason in the world to be satisfied. With Capt. Gustafson and Holmer at half, Lewis at full and Levison at quarter he has a veteran crew that should do a lot of damage this fall.

Coach Dick and brother Pat are placing considerable attention on their forwards right now and nobody on that forward wall is certain of staying there. Rudy Schuler and Arnold Karsens are handling the tackle jobs and John Hazan and Justin Dart are working at the guard assignments. Mickey Erickson, Keith Wyman and Bill Helleman are fighting it out for the center job.

Some highly capable reserves are in there battling away and are bound

to get recognition sooner or later. Among the promising looking backs are Johnny Haas, Bill Calderwood, Rus Bergherm, Rollins, Will Lewis and Shorty Rojan.

### THE NORSHORE

Al Kvale and his Jazz Collegians will be seen in a new production at the Norshore theater starting Sunday, September 25.

Al is calling his show "Jazz on the High C's" and promises there will be "gobs" of fun for all who see it.

It will be a sea of syncopation with singing and dancing sailors. Al and his Collegians will sail through some of the latest and prettiest melodies of the day and the big cast of featured entertainers that he has selected to round out this show bids fair to make it one shipload of rollicking good fun and revelry.

Among those who will be aboard when Al sets sail are Milton Watson, Florence Brady, Markel and Faun,

Billy Gerber and the Abbot Co-Eds. "Adam and Evil" with Lew Cody and Aileen Pringle will be on the screen. The neglected wife of Lew Cody inadvertently meets her husband—who disguises himself as his own twin brother. Their misadventures in these unusual roles are dramatic and clever.

### County W. C. T. U. Convenes Here Oct 6; Local Elects

ence over boys is of a very unusual in this connection. It is a serious blow to New Trier to lose a man of such worthy attainments and unusual character as are represented in Mr. Harper."

Announcement has been made at the high school of the appointment of Prof. Frederick A. Kahler, a veteran member of the faculty and assistant dean of boys, to the position of dean. Professor Kahler is a graduate of Princeton university and was trained by Mr. Harper as his assistant. He is unusually well qualified to assume the task vacated by Mr. Harper.
