**Readers Know Their
Football Contest Shows**

That north shore residents are intensely interested in football and that they have a very decided knowledge of the subject was clearly demonstrated this past week. Answers to the Football Contest announced in last week's WINNETKA TALK were plentiful and the percentage of correct or nearly correct answers was high. Here are the first four winners of the coveted ducats for the South Dakota - Northwestern game: First, 2 tickets, Charles Ulbricht, 883 Willow road; tied for second place, 2 tickets, Robert Reschke, 1149 Cherry street, and David Riddle, 995 Oak street; third place, 1 ticket, Perry W. Lieber, 384 Center street.

The Home and Garden club will meet Monday afternoon, October 3, at the home of Mrs. Frank Cherry, Abbottsford road, Kenilworth, at the regular hour. There will be a competitive exhibit of wild flower arrangement in bowls and vases. A prize will be given.

**RECORDS SHOW MARKED
DECREASE IN ACCIDENTS**

**Few Collisions Reported Since
Safety Campaign; Only Two
in Past Week**

There has been a marked decrease in the number of automobile accidents in Winnetka since the Safety Campaign week of September 4, according to those reported at the village hall.

Only two collisions were recorded during the past week, and neither of these was of a serious nature.

There were two accidents within the same period, however, in one of which one of the occupants of a car was seriously hurt and taken to the Evanston hospital. This accident occurred Thursday afternoon at 12:30, on Tower road at Lincoln avenue.

Mrs. S. T. Scofield, of 565 Drexel avenue, Glencoe, was driving west on Tower road. In her car was a new bicycle which she had just purchased and was taking home.

The bicycle was jostled over and in attempting to straighten it she lost control of her car which crashed into a tree in the park way.

The car was considerably damaged and Mrs. Scofield sustained a deep cut over the right eye and on the left ear. Dr. Frank W. Blatchford dressed her injuries.

Last Thursday afternoon an electric driven by Miss Eleanor Rew of 217 Dempster street, Evanston, toppled over at the foot of the Sheridan road hill at Humbolt and was slightly damaged, but Miss Rew escaped injury. Miss Rew lost control of the car in descending the hill, according to Officer Chris Johannesen.

Motorcycle officer Charles M. Bemus reported an accident at Elm street and Ridge avenue, Friday afternoon at 4 o'clock, when two cars, one driven by Glen Ford, of Winnetka, and Ben Martin, of Evanston, had a slight mix-up. The damage was slight.

There was also another slight accident at Willow and Linden, Sunday afternoon, according to the report of Sergeant J. G. Boyd. Cars driven by Knute Nelson and Lucius Baker, both of Chicago, came together, but neither car was seriously damaged.
