Date Is Set for Gold, Silver Sale

North Shore Women on Committees at Work for Gold and Silver Offering and Sale

The date of the Gold and Silver sale has been set. All day Tuesday and Wednesday, October 25 and 26, in a shop in the Loop district, probably on Michigan boulevard, the sale will be held, although the exact locale has not yet been determined. For several months plans have been formulating and gifts accumulating for this venture of the Woman's auxiliary of the Chicago diocese of the Episcopal church. Every parish in the diocese has a committee at work, telling of the purpose of the benefit, and appealing for gifts of silver and gold, no matter how small, which will be gathered in a Gold and Silver offering in the churches Sunday, October 9, and Sunday, October 16, during the regular morning offertory. The chairman of each parish will provide a basket into which the gifts will be poured.

The committees are asking for donations of old rings, napkin rings, chains, old cuff buttons, watches, bracelets, pins, tea pots, vases, cream and sugar bowls, spoons, forks, badges. Dental gold is also desirable.

The proceeds from the sale are to provide the auxiliary with funds for the rebuilding of St. Margaret's school in Tokyo, Japan, completely destroyed in the earthquake of 1923.

The general committee for the sale is made up of: Mrs. George Allen Mason, president of the Woman's auxiliary; Mrs. Carl A. Gowdy of Oak Park, chairman; Mrs. Hathaway Watson of Winnetka, vice chairman; Mrs. Joseph E. Otis, chairman of shops and sales; Mrs. M. Paul Noyes, chairman of sorting and appraising; and the district chairmen, Mesdames Hermon B. Butler and C. Colton Daughaday of Winnetka; Edwin J. Randall, John Oliphant, Herbert Bird, J. A. Carter, C. E. Osborne, W. F. Pelham, and Miss Jane Larabee.

The north shore chairmen are: Mrs. Vance Roberts, St. Luke's, Mrs. Harry Wells, St. Marks, Mrs. E. C. Roogle, St. Matthew's, Evanston; Mrs. Thomas Hardwick, St. Augustine's, Wilmette; Mrs. G. D. Flood, Church of the Holy Comforter, Kenilworth; Mrs. Harry L. Street, Christ church, Winnetka; Mrs. C. C. Coldrun, St. Elisabeth's, Glencoe; Miss E. W. Towner, Trinity church, Highland Park; Mrs. Robert M. Ingalls, Christ church, Waukegan.

League Painting Classes Commence on October 15

The Saturday morning painting classes sponsored by the North Shore Art league will begin October 15. The Winnetka class will be supervised by Mrs. Kate B. Bond, assisted by Mrs. George Engelhard. Mrs. Bond is a graduate of the Chicago Art institute and was for some years on the faculty of the Art Institute school. Mrs. Engelhard is also a product of the Art institute.

The instruction given will in no way parallel that given in the schools, the idea being to give the younger artists the opportunity to paint with brush and canvas from attractively arranged studies in still life. Classes in modeling are also being arranged.

Opportunities will be given to members of these classes to exhibit the best of their work in the big Art League exhibition in the spring. This possibility of viewing their work in the exhibit is very unusual, as it will hang side by side with the work of professional and other members of the league. Mrs. Bond at Winnetka 1688, will give additional information and is in charge of enrollment.

Woman's Society to Hear Dr. Washburne

Head of Winnetka Schools to Give Resume of His Education Mission Abroad

The Woman's society of the Winnetka Congregational church will begin the season's work with an all day meeting on Wednesday, October 5, beginning at 10:30, at Community House. The morning will be devoted to an exchange of greetings after the long summer vacation, and to sewing, as usual, in the Neighborhood room.

Mrs. A. M. Scharf will lead the devotional exercises at 12, which will be followed by the luncheon at 12:15.

The speaker for the afternoon will be Dr. Carleton M. Washburne, superintendent of the Winnetka schools. Dr. Washburne has just returned from Europe, where he went primarily as specialist in education for the Unofficial American Trade Union delegation to Russia. He was also a representative in Russia for the International Bureau of Education, and for the new education fellowship.

Dr. Washburne recently gave a resume of the results accomplished on this mission before the Rotary club, and the program committee feels it has been very fortunate in securing him to give the same address before the society.

Under the leadership of Mrs. Wiley M. Huddle, who is beginning her second year as president of the society, assisted by Mrs. Norman Anderson as vice-president, Mrs. Ralph M. Snyder as secretary, Mrs. W. O. Kurtz as treasurer, and Mrs. Percival Hunter as social chairman, the society is looking forward to a most successful year, devoted to many interests with which women are concerned.

All those in the community who are interested in the work which the organization is doing are invited to attend. The officers and members are desirous of promoting an atmosphere of good fellowship, so that strangers in their midst will be sure of a welcome.

The first play of the season will, as is customary, be presented the second Wednesday and Thursday in November.

Folders will be in the mail soon describing the object of the club and the work of the players. These are designed to stimulate interest in the club and to let the people of the village know that membership in the club is open to everyone here.

The next meeting of the club will be held the fourth Monday in October.

Mrs. Samuel Fleager of 952 Pine street entertained at luncheon and bridge Tuesday at the Vista del Lago club. Two tables of bridge were in play.
