

held on October 12, at the office of the Byron Stolp school at 7:30 p. m. Mr. Harper, chairman of the committee, plans an enlarged and strengthened committee for this year, as well as an enlarged group of merit badge councilors. The award of badges earned will be made at a get-together, which Wilmette leaders are planning to hold on either the afternoon or evening of the third Saturday of each month. Wilmette leaders are working out the plans for these monthly powwows of all the troops with the idea of having something different each month in addition to the presentation of badges earned.

The Glencoe board of review will be held at the Glencoe Union church, on Wednesday, October 12.

**Mourn the Loss of a Friend**

Scouts and Scout leaders have been saddened in learning of the death of W. J. McAllen, chairman of the Glencoe Court of Honor, and for many years one of the outstanding Scout enthusiasts of the north shore.

**Plan Investment Campaign**

Committees are already at work planning the set-up of the investment campaign in which the public each year demonstrates its interest in boyhood and its desire to have a part in enriching and extending the Boy Scout program on the north shore. It is planned to so organize the campaign so that every citizen will have an opportunity to have a share in our Boy Scout work.

**Rally to Northwestern Game**

It is expected that between six and seven hundred Scouts of the north shore troops, with their leaders, will attend the Northwestern-South Dakota game as the guests of the university on Saturday, October 1. Troops will come in a body and will report at 12:45 to Mr. Draper at Ridge and Central streets, Evanston. They will

march from there, with the Evanston Scouts, to the stadium.

**Prepare Monthly Report**

The North Shore Inter-Troop efficiency award, based on a report from each troop on their month's program, their outdoor emphasis, boy initiative, advancement and growth, interest in activity of adults, business management, originality and initiative, will be awarded early next month to the troop with the best score. Each troop files this report the last of each month.
