Country Day Parent Association Begins New Season Monday

The first meeting of the Parents' association of the North Shore Country Day school will be called to order Monday evening, October 10, by the new president, Lawrence Howe. This will be the first parents' meeting to be held in the new auditorium of the school.

Headmaster Perry Dunlap Smith will give a report on the international conference of the New Education Fellowship which he attended at Locarno, Switzerland, this summer.

After this general organization meeting, the body of parents will divide into grade groups, assemble in the grade rooms and plan the work for the year. They will decide on the programs for their monthly meetings and discuss the problems that are important for each grade.

At the conference at Locarno at which Mr. Smith was asked to speak on the work of the Parents' association, it was this first organization meeting of the year that aroused the greatest interest among the foreign educators of his audience, says Mr. Smith. The European delegates to the conference were intensely interested to hear about the possibilities for close co-operation between the parents and the school that Mr. Smith described in his address to them. In all, Mr. Smith gave three addresses at the conference at Locarno last summer; one talk on "Co-education," and two on the work of the Parents' association.

Miss Jane Young left Kenilworth on Tuesday morning for the National Park school in Washington, D. C., where she intends to complete the first two years of her college work. She recently graduated from New Trier, with high scholastic honors.

REPORTER TO SPEAK

Genevieve Forbes Herrick to Address League of Woman Voters at Luncheon at Community House Monday

Genevieve Forbes Herrick, one of the most prominent women reporters in newspaper circles of today and a graduate of Northwestern and Chicago universities, will speak on "Immigration" at the first meeting of the Winnetka League of Woman Voters for the year, which will be held on Monday, October 10, in Matz Hall at Community House.

Mrs. Herrick is said to be one of the most fascinating of speakers and will this time give a true impression of how it feels to be an immigrant for in 1921 she enacted the role of an Irish immigrant in steerage for her newspaper.

Reservations for the meeting are coming in fast according to Mrs. Baker, chairman of the luncheon committee. Those who have charge of serving the luncheon are Mrs. Francis Lockner of precinct '10 and Mrs. Howard Shaw of precinct 7.

Invitations have been mailed to the presidents of the various north shore leagues to be the guests of the Winnetka league. These are Mrs. Harvey Edwards, of Evanston, Mrs. Shelby Singleton of Wilmette and Mrs. Mark Cresap of Kenilworth.

Paul Reynolds Speaks on China at Skokie School

Rev. Paul R. Reynolds, minister of the Winnetka Congregational church in China, spoke before the assembly of the Skokie school last Thursday morning on "China." Mr. Reynolds talked of the Chinese habits and customs pointing out that while Americans ordinarily consider the Chinese queer, the Chinese also consider the Americans peculiar. His address was greatly enjoyed by the children who evidenced great interest in the affairs of the orient.

Illinois mines have produced 1,895,594,766 tons of coal since 1882, when records on coal production were first kept.
