

Lee Says:

THAT little word "SERVICE" is badly OVERWORKED, we know, BUT when it comes to PRESCRIPTION work, we CAN'T think of any OTHER word to describe IT—

THERE is a registered PHARMACIST at this STORE from 7 a. m. UNTIL 10 p. m., INCLUDING meal times, AND if you ever find IT necessary to have a PRESCRIPTION filled AFTER working hours, WE'LL come to the STORE any time of NIGHT if you will CALL us— MORE than that, we CARRY a complete STOCK of all standard DRUGS and you have OUR word for it that THEY'RE fresh and PURE—in brief, we're AT your service any HOUR of the day or NIGHT when it comes TO prescriptions.

Smith Tells Day School Faculty of Conference

At the faculty meeting of the North Shore Country Day school held last Thursday night, Perry Dunlap Smith continued his report on the work of the New Educational conference at Locarno, Switzerland, last summer. Mr. Smith stressed particularly the general feeling of fellowship that existed at the conference, the intense eagerness of the European educators to share in and hear about the experiences of American delegates. In his address he also gave a report on the speeches made by Mrs. Beatrice Endsor, Mrs. Marietta Johnson and Mrs. James Fentress of Winnetka. Mrs. Fentress was a leader at two group meetings on the subject of problem children.

Mrs. Helen Philleo Weston, who had charge of the piano work in the public schools here last year, has taken a house with her daughter, Mary Elizabeth, at 941 Tower road.

Miss Margaret Noble returned from Nazareth academy, La Grange, to spend last week-end with her parents, Mr. and Mrs. William Noble.

Two Auto Mishaps Recorded During Week in Winnetka

Only two minor automobile accidents were reported by the Winnetka police during the past week. Sunday afternoon at Lincoln and Elm streets a car driven by John Daugherty of Glenview skidded into a car owned by W. D. Regan, of 606 Sheridan road and which was standing at the curb. Neither car was much damaged, according to the report of Officer J. H. Luensmann.

A more serious accident occurred Tuesday evening at about 9 o'clock, at Elm and Cedar streets, when two cars, one driven by Mrs. C. O. Stimson, of 1416 Hollywood avenue, Chicago, and the other by Leo Brown, of 436 East Forty-sixth street, collided. Curtis Redmond, residing at the same address as Leo Brown and with whom he was riding, sustained a small cut over the left eye, which required the attention of a physician.

She plans to bring back with her all the newest, smartest things imported from various countries.
