WITH DIRIGOLD HAS
COME THE GOLDEN
AGE OF TABLEWARE

DIRIGOLD—the fashionable and exquisite ware that possesses the color and lustrous beauty of gold! It has been so universally accepted by social leaders and all women who take pride in beautiful appointments for the home, that we take great pleasure in announcing our display of this wonderful ware.

Like the precious metals, gold, silver and platinum, Dirigold is solid clear through. Its beauty is everlasting—but it costs little more than the best grades of plated ware and much less than Sterling. No home need now be denied the rare luxury and beauty of gold on the table. In addition to tableware and hollow-ware, there are many useful and decorative articles in solid Dirigold which make ideal gifts. If you haven't seen Dirigold, by all means do so at once.

Hub Store to Broadcast
All Northwestern Games

Beginning with the Northwestern-South Dakota game of last Saturday, The Hub, Henry C. Lytton & Sons, inaugurated a policy of broadcasting all of the Northwestern home games direct from Dyche stadium over WBBM. This move is just another instance of The Hub's endeavor to keep abreast with college men and college life. Only last month the new Lytton College shop was opened in the downtown store. Six times larger than the original College shop, it is the largest and finest shop of its kind in the world. The Evanston shop is the favorite shop of the Northwestern men—because from the first as now it has consistently allied itself with the interests of Northwestern men.

The next period of Hub broadcast will be the Northwestern-Utah game at 1:45 p. m., Saturday, October 8.

"All which I took from thee I did but take,
Not for thy harms,
But just that thou might'st seek it in My arms.
All which thy child's mistake
Fancies as lost, I have stored for thee at home:
Rise, clasp My hand, and come!"
