

You can have
A Warm Home
all winter long

Day in and day out, all winter long, you can have a warm and comfortable home if you burn Egg, Range, Nut or Pea size Chicago Solvay Coke. Gives more heat per ton than any other fuel. Whether you live in a small flat, large home or bungalow, burn Chicago Solvay Coke in your hot air furnace, hot water boiler or stove.

Your dealer will have a Solvay Service Man look over your plant and recommend the proper size fuel for your home. His services are free.

Clean, smokeless Chicago Solvay Coke has heated suburban homes for 22 years. There is a size for your heating plant. Have a warm house all winter long by burning this dependable fuel used by thousands of householders. Telephone your dealer. Prompt delivery assured.
