The education committee of the Winnetka Woman's club will have charge of the club program at the next meeting on Tuesday, October 18, at 2:30 o'clock. Mrs. S. George Levy is chairman of the committee. The hostesses will be Mrs. Warren Crawford, Mrs. Marshall Forrest, Mrs. John Edgar Freeman, Mrs. Maurice Leigh, Mrs. Theodore Rockwell, and Mrs. Charles L. Trumbull.

Mrs. Alfred Alschuler, director of the nursery school, will give a report on the progress of this school, now in session in the Greeley school building.

Carleton Washburne, superintendent of Winnetka schools, will be the speaker of the afternoon. His subject will be "The World Conference on New Education at Locarno, and Education in Russia." He has just returned from a trip abroad, in which he had wonderful opportunities to visit schools all over Europe, and was honored as an educator everywhere he went. He made a very interesting trip into Russia, including an airplane flight from Berlin to Moscow. Guest tickets for this meeting will be sent to all Winnetka school teachers.

Introduce Drama Review as Woman's Club Activity

In previous years, drama has not played a really distinct part in the activity of the Woman's club of Wilmette. Interest for it has been felt, however, and continually increases.

Plans now are formative to make things dramatic an increasing power in club affairs, and with this in mind, two of the members, Mrs. C. P. Evans and Mrs. Rush Smith, club delegates to the Drama league of Chicago, are arranging for a series of reviews of current plays to be given as the last part of the morning program on regular club days.

Drama reviews will be introduced next Wednesday morning, about 12:15 o'clock, with Mrs. Marguerite Taylor giving the first play. Later in the season, as interest develops, Mrs. Alonzo Coburn will give a talk on the playwriting class of Northwestern university. Her program will be given in January or February, in all probability.

Welfare Meeting Monday

The Winnetka branch of the Infant Welfare society will have its regular monthly business meeting Monday morning at 10 o'clock, at the home of the president of the branch, Mrs. George Stanley Parker, 200 Linden street. Routine business will be transacted.

TO LECTURE FOR NEIGHBORS

The Neighbors club of Kenilworth anticipates a very instructive and entertaining afternoon on Tuesday, October 18, when Prof. Arthur Guy Terry of Northwestern university will deliver a lecture on "China." The talk will be given under the direction of the department of education, of which Mrs. George Richards of 530 Essex road, Kenilworth, is chairman.

Gives Lectures

The committee of the literature and drama department of the Woman's Library club of Glencoe that is sponsoring the lectures on current events by Mrs. Anthony French Merrill, announces that the date for the lectures has been changed definitely to Wednesday mornings, instead of Tuesday mornings before Christmas and Monday mornings after, as previously announced.

The lectures begin Wednesday, October 19, at 10 o'clock, in the Glencoe Union church, in the room used for the course last year. Those who attend are urged to be there promptly at 10. These talks will be given for six weeks and then resumed on January 11, for six more Wednesday mornings. Attendance at these lectures is open to anyone in any locality, for all will be welcomed most heartily.

Tickets for the course of twelve lectures may be secured from any member of the committee, or at the first lecture. Tickets for single lectures may be purchased at the door each week.

Garden Club Elects Nominating Committee

The Wilmette Garden club met Friday, October 7, at the home of Mrs. John F. Weedon. It was experience day and each member gave a short talk on her garden of the past summer. The following members were appointed by the president to serve as a nominating committee at the November meeting, Mrs. John F. Weedon, Mrs. E. H. Burge, and Mrs. C. P. Berg.

At the close of the meeting a plant sale was conducted by Mrs. Edward Moore. This was held for the benefit of the community wild flower garden.

Thursday, October 13, the members of the club met at 11, at the home of Mrs. Walter Gore Mitchell and went together in cars to Barrington, to the new country home of Mrs. C. D. Ewer, where they spent a delightful and long to be remembered day. A picnic luncheon was served at noon. The members took lily bulbs as a little remembrance to Mrs. Ewer for her new garden.

Mrs. Charles Byron of Winnetka told something of the lives of the artists who will appear in the Artists' Recital series this year.

Mrs. William Sherman Hay of Winnetka, playing the violin, was one member of a string quartet, the other members being: Herman Felber, viola; Herman Felber, Jr., violin, and Carl Fassauer, 'cello. They played Haydn's "String Quartet in D Major" and Mozart's "String Quartet in C Major."

Mrs. Everett L. Harris of Winnetka accompanied Mrs. Robinson, also of Winnetka, who sang "L'Anero Saro Costante" by Mozart; Donaudy's "Freschi Luoghi"; and Poldowski's "Dansons La Gigue."

Catholic League Open Its Season

Parliamentary Law Classes and Philanthropy Card Party Announced on League Program

The opening meeting of the North Shore Catholic Woman's league, held Tuesday at the Winnetka Woman's club, was a most interesting one. The board met at 1 o'clock, with Mrs. William Schildgen presiding. Plans are being made to arrange a group of parliamentary law lessons, under the leadership of Mrs. Maurice Lieber, sometime during the club year. Mrs. Lieber spoke for a few minutes on the necessity of Parliamentary rule as an asset to citizenship. She gave the three principles of parliamentary law: justice to all, courtesy to all, and let the minority be heard.

Announcement was made of the philanthropy card party to be given by the league on November 16, at 2 o'clock, at the Evanston Woman's club. There are three chairmen in charge of the party: Mrs. Schildgen; Mrs. William Pavey, the social chairman; and Mrs. N. P. Anderson, philanthropy chairman of the league.

Mrs. R. McCall, president of the Catholic Woman's league of Chicago, was present and personally invited the members of the North Shore league to attend the meeting of her league this Saturday at 2:30, in the Fine Arts building, 410 S. Michigan avenue. It is expected that a number will respond to this invitation, as a most attractive program is planned, with Judge William Brothers as the speaker. The president of the Highland Park Woman's club spoke for a few minutes about the Better Homes Exhibit held there this week.

Mrs. Robert McArdle, who was to have given a group of songs, was unable to be present, so Miss Lannigan of Evanston provided the musical part of the program, with a number of piano selections. Mrs. Arthur Whitely of Evanston gave a group of readings, including a dramatic play of Robert Browning, and told something of the history of the time in which Browning wrote. At that time, his works were not nearly so much appreciated as those of his wife, although now Robert Browning is held in much higher esteem than is Elizabeth Barrett Browning, she stated.
