Riding Club Completes Its Extension of Bridle Path

The Indian Hill Riding club has had great success this week in its drive for funds to complete construction of its bridle paths. The paths are now connected with the Forest Preserve bridle paths, both north and south, and are about fifty miles in length. This makes it possible to go almost as far as Chicago on the paths.

On the club's calendar for today are a treasure hunt, which will start from the club, and a dinner. Paper chases are held every Wednesday and Sunday morning. On Wednesday they leave at 6:30 and on Sunday at 7:30. The children's rides are held every Thursday at 4 o'clock. The children are accompanied by Mrs. Donald McPherson, Mrs. Ernest Ballard, and Major Nordheimer.

OPEN BUDGET DRIVE

Set \$12,000 as Goal in Annual North Shore Area Boy Scout Fund Campaign; Fowler Is Treasurer

One hundred and fifty men of the north shore villages are at work raising the budget to carry on the work of the North Shore Area council, Boy Scouts of America. The plan for the new year's work calls for an increased budget for a growing organization.

The number of Scouts in the area has nearly doubled in the last year. Two full time men are needed to assist the committeemen and volunteer leaders in the 150 square miles of territory. A Service station where records and supplies are kept is maintained at Highland Park where Scouts, parents, and leaders may be served.

Henry Fowler of Wilmette, treasurer of the council, is general chairman of the budget and finance committee. The men directing the work in the various towns are: Benjamin Cox, Wilmette; Harry Harrison, Kenilworth; Harry Stannard, Glencoe; Albert Snite, Highland Park; Louis Ortmeier, Highwood; Dr. George Roberts, Lake Forest; J. W. Strong, Deerfield; P. W. Beda, Glenview. Chairmen of other towns have not as yet been selected.

The budget will provide for the equipping of the Cabin-in-the-woods in the Forest Preserve west of Glencoe, which is used by the various troops for overnight hikes. It is planned to have the campaign concluded by October 25. The quota for the entire area is \$12,000.

Perfect Attendance Record Made by Kenilworth Pupil

Four years unbroken by a single absence or tardiness is the record that has been established by Rosemary Swanson, a pupil of the Joseph Sears school in Kenilworth, according to E. L. Nygaard, superintendent of the school. A list of those who have attained a perfect attendance record over the period of a year or more is posted on the school bulletin board.

Others whose names are on the list are: Marjorie Skeel, 3 years; Alfred Osgood, 2 years. Perfect records for the last year's attendance are held by George Scott, Claude Hamilton, Margaret Vande Velde, Earl Moss, Alexander Newton, Bobby Merriman, Ruth Swanson, and Nick Simon.

Injured Kidneys

The kidney cells are easily injured—diseases such as Influenza, Pneumonia, Measles, Scarlet Fever, Diphtheria nearly always affect the kidneys and frequently are the cause of chronic kidney trouble or Bright's Disease in later life. Don't risk the miseries that injured kidneys will bring you—let Nature help you to restore health to those vital organs with the aid of Mountain Valley Mineral Water from Hot Springs, Arkansas. Physicians prescribe it as an aid in the treatment and prevention of kidney disorders. Phone us for a case today.
