- Saturday**  
 Morning—  
 Miss Keeney's dancing class  
 North Shore Art league  
 Evening—  
 British-American society

### Fire Drill at New Trier Finds Everybody "On Toes"

The first fire drill of the season was held at New Trier High school on Tuesday of this week. It was a surprise drill with no warning to teachers or students. The building was emptied in two minutes and four seconds. At this time the drill is not as good as it will be toward the middle of the year, after repeated fire drills have been held, it is explained. Last year the shortest time in which the building was emptied was one minute and forty seconds.

As usual, the students and teachers co-operated one hundred percent in leaving the building in an orderly and quiet manner.

### Mrs. Clara McCormack Dies at Winnetka Home

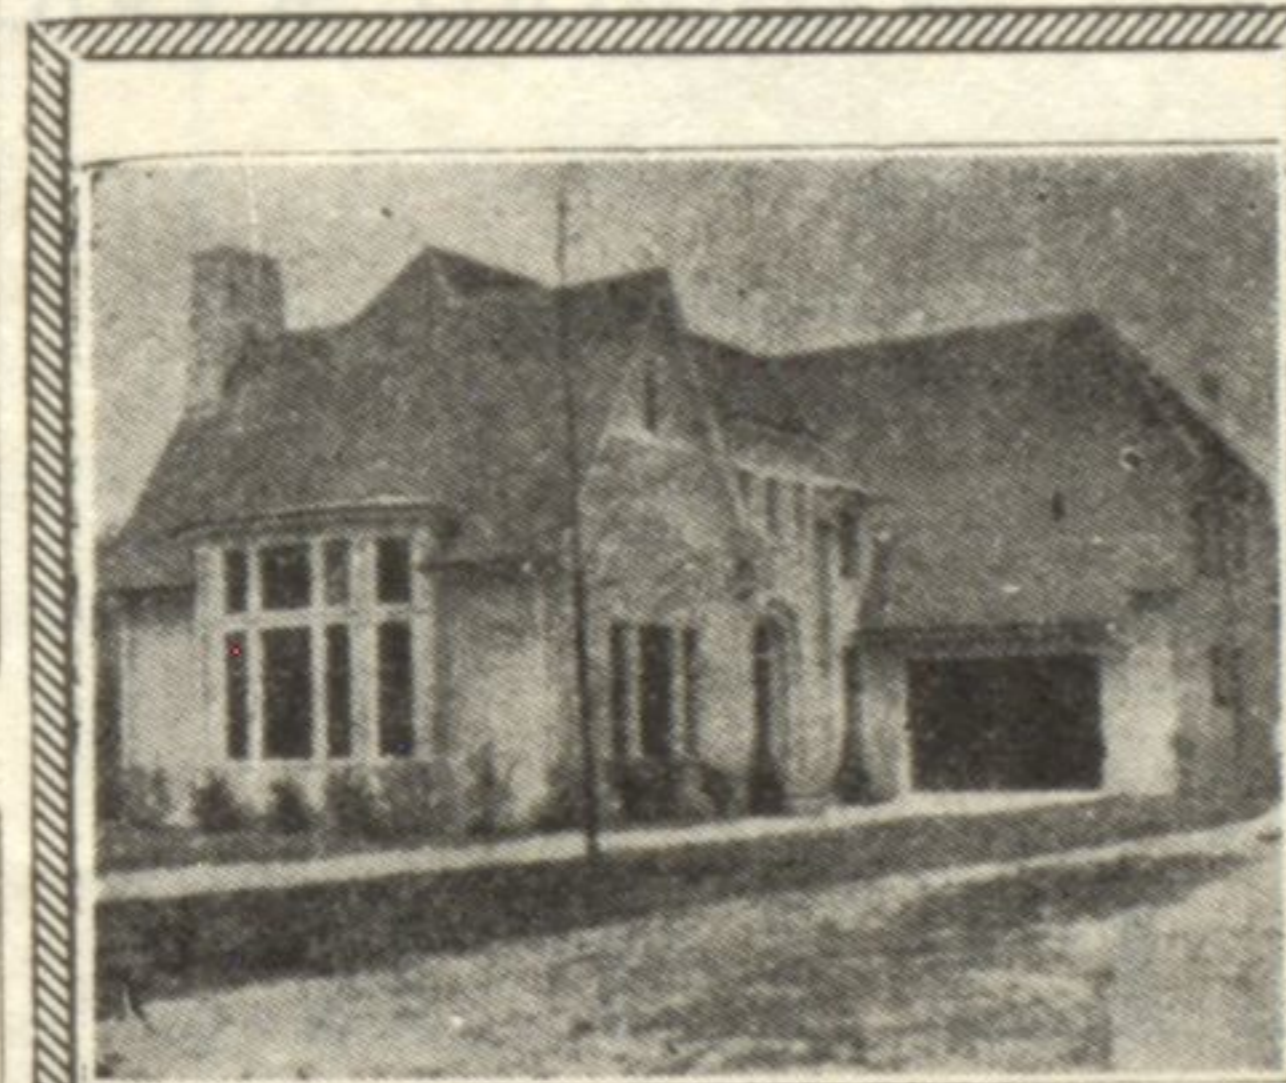

Mrs. Clara McCormack, mother of Mrs. F. W. Renshaw, 256 Sheridan road, Winnetka, passed away at the family residence last Tuesday. Services were conducted in Bay City, Mich., where the remains were taken for interment.

Mrs. McCormack had resided in Winnetka for about four years during which period she made her home with her daughter, Mrs. Renshaw. She is survived by Mrs. Renshaw and a sister, Mrs. Walter Newberry of Mt. Pleasant, Mich.

Friends of the Alexander Hannahs in Kenilworth will be glad and interested to know that on October 10 a baby girl was born to Mrs. Sam Ross, formerly Connie Hannah. The baby is called Constance Anne. Mrs. A. D. Hannah is now a great-grandmother.

The Kenilworth Garden club met on Wednesday for luncheon at the home of Miss Margaret Harris on Melrose avenue. Almost a complete club membership was present for this last and annual business meeting of the season.

The regular meeting of the Neighbors will be Tuesday afternoon, October 18, at 2:30. Professor Arthur Guy Terry of Northwestern university will lecture on "China."

### Building and Remodeling

Remodeling is an art in itself. In order to get the best results it is necessary to have men experienced in this line. The men employed by Mr. Ekermann are of this caliber.

### Band Director

At the close of the World war Lieut. Charles Benter, then only 20 years of age, was ordered to Washington to take over the work of organizing and selecting the personnel of an official United States Navy band. Previous to that time there had been several band units connected with various ships and naval stations but these were of ordinary calibre and were fast becoming depleted.

Lieut. Benter, who had won his chevrons as bandmaster of the U. S. S. Connecticut, immediately set to work to organize a band that would set new standards for naval bands. He began by getting higher allowances and ratings for bandsmen and then started a recruiting tour. Picking out the best men he could obtain, by 1923 he had brought the personnel up to 67 men, each with the greatest possible ability in his department.

It is this perfected organization that will present two concerts in Glencoe on November 5, under the auspices of the Glencoe Public schools. North shore residents are invited to attend.

## OUTDOORS CALLS All Winter Long In Sunny New Mexico

AUTUMN and winter in New Mexico are so mild and dry and sunshiny that outdoors calls you every glorious day. From Los Cerros, once a Spanish rancho, now a comfortable mountain resort, you can ride fine western saddle horses over winding forest trails; or motor to old cliff ruins and quaint Indian villages over broad, modern highways. You can hunt deer and turkey in the finest hunting country left in America, or just laze away the brilliant days under a cloudless turquoise sky. Reservations for Los Cerros should be made in advance. For a completely illustrated booklet which describes the fascinating surrounding country, address Edward H. Oakley, Manager.
