

### Supt. Washburne to Address P. T. A. of Horace Mann School

Horace Mann school will hold its first big meeting of the season on Tuesday evening, October 25, at 8:30 o'clock. Supt. Carleton W. Washburne will speak on "Behind the Scenes with Our Educational Staff." The lecture will be illustrated by slides, followed by questions and answers.

Parents are requested to assemble in their own children's rooms at 7:45 o'clock, to hear the teacher speak on the year's work.

The music committee announces that the Children's Symphony concert tickets will be on sale in Miss Hartwell's office before and after the lecture.

The publicity committee wishes to correct an error in last week's report. At the Hubbard Woods school, Mrs. Robert Brown is chairman and not Mrs. Seth Shepherd as stated; Mrs. Alden Webb is vice-chairman, and Mrs. Walter Neilsen, secretary-treasurer.

### Rifle Club to Hold Next Shoot at Fort Sheridan

The next shoot of the Winnetka Rifle club will be held Sunday, October 23, at Fort Sheridan.

This will be the occasion of the annual shoot for the J. M. Dickinson trophy. Firing for the trophy will be from 9:30 to 11:00 o'clock a. m. The range will be 200 yards.

This is an exceedingly beautiful trophy. Every member of the club is urged to get his fowling piece limbered up, his target eye in shape and then be on hand to defend his claims to marksmanship.

Of course, there will be a turkey shoot after the trophy event.

### Heraldic Symbols

These badges of distinction were the reward of personal merit and could be secured by the humblest as well as the highest.

They are today the testimonials and warrants of bravery, heroism and meritorious deeds of our ancestors; and they appeal to the pride of the intelligent and enlightened descendants of these distinguished families, as the valiant deeds and self-sacrificing acts of contemporary persons would to their posterity.

A man who is not proud of his ancestry will never leave after him anything for which his posterity may be proud of him.

And as the honors of Heraldry have almost exclusively been the rewards of genius, valor, patriotism and industry, they should be continued stimulus to the descendants of those who bore them, to impart to the names additional lustre, and to the symbols the virtue and worth with which they are so largely imbued.
